I have had a lot of fun knowing you the short time that I have.
I think you are real cute and have the greatest personality that anyone could want to have.
I sure hope we see each other in the summer and not just because you have a car, because I will have one too. Not that I think I will be able to drive so that the cops will let me

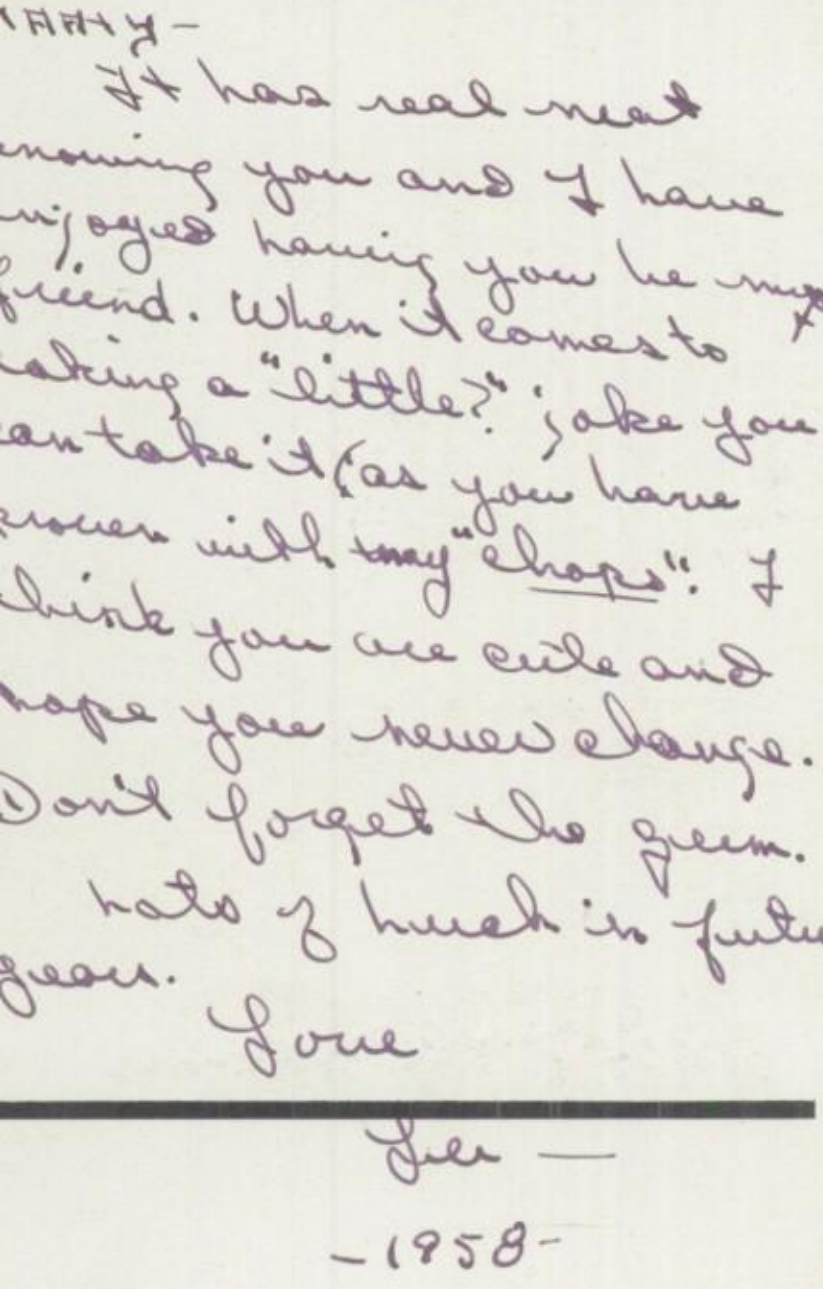
We honor the first International Geophysical Year and dedicate our yearbook to the scientists who study the physical nature of man's terrestrial environment.

THE FIRST INTERNATIONAL GEOPHYSICAL YEAR



Earth is, of course, the primary study of the IGY. Brightened and warmed by the dazzling sun, insulated and temperated by circulating winds — this is how we know our Earth. But her interiors, her ocean floors, and her glacial coverage — these are relatively unexplored. These are to be fathomed by geologists, geochemists, and geophysicists in their glory year (June 30, 1957-December 31, 1958.) Modern instruments will measure gravity strengths. Others will soar up and beyond atmosphere to photograph as much as 600,000 miles of Earth-stretch at a single exposure. Earth, in her present form, will be contoured for the making of new maps. IGY is truly international. 64 countries are cooperating, setting up pole-to-pole station chains. They will synchronize their findings of the constituent make-up of the stratosphere and ionosphere, of the vast movements of ocean waters, and of studies of our own winds circulated by powerful solar energy.

When their compulations have been finally made, and new maps charted, we shall know better where we relate to past milleniums. We shall better ascertain our true orbit as we spin in our galaxy, around an atomic-generating sun.

So is mankind continually progressing toward universal outlooks and accomplishments for the profit of future generations.

Through the last year, in English, we had have had just barely a hour. Hope we have some classes together next year. Good luck in the future in everything you do.

Always,
Lois

Dr. Glenn T. Seaborg is one of a group of four scientists who began to investigate the chemical separation of plutonium at the University of California in 1940. He won the Nobel Prize for his work in the field of Radiation. He sums up the importance of the IGY in the following statement:

Marty,
We had a lot of fun this year and I've come to know you better than I did last year. I hope we can always be good friends.

your friend
Gary "Corky" Parker

P.S. Lois and I are not brother and sister. (same name) Parker

"The International Geophysical Year — perhaps the greatest cooperative scientific enterprise ever undertaken by man — should prove fruitful not only in terms of advancement of knowledge, but in terms of advancement of human understanding as a result of the sharing of common ideas and interests across national and ideological boundaries."

THE FIRST INTERNATIONAL GEOPHYSICAL YEAR

Marty,
I have really had lots with you. I enjoyed your pictures & stories for Quiz & Quill. You're a good kid. Best of luck in real estate.
Jack Moskow

Thank you, Dr. Seaborg, for your contributions to human enlightenment and for taking the time to write this inspiring message for our yearbook.

The administrators at Burroughs are guiding lights that lead the faculty and students smoothly on the road to knowledge and success in life.

GUIDING LIGHTS

The friendly, alert gentleman, heard saying a warm "hello" to all he meets, is the capable principal of John Burroughs High School, Mr. Vernon Weybright. Students of JB are proud of Mr. Weybright who makes John Burroughs a pleasant school with a good reputation. He is assisted by his efficient secretary, Martha Jane Topping, an able help to all.

arty, I have known you for a year and I have enjoyed it. You saved me from failing the second semester, and I hope I haven't forgot it. I know you all through school and hope your have a good time while attending Burroughs.

Your history classmate and friend
Ron Binko.

arty, I've a real great pal with a personality. I've sure enjoyed meeting around with you in Gym. Best of luck. As Always

The members of the Board of Education are, left to right: Mrs. Mary Stafford, Mr. Robert Omer, President, Mr. Gordon McCann, Mrs. Susan Lundstrom, Vice-President, and Mr. Walter French.

Mr. Norton Nelson

Mrs. Ruth Straley

Miss Dorothy Brockman

As Polaris, the North Star has led many a navigator to his predestined goal with its guiding light, Principal Vern Weybright has guided us for nine successful years.

Mr. Sherman Chavoor, Boys' Vice-Principal; Mr. Norton Nelson, Registrar; Mrs. Ruth Straley, Girls' Vice-Principal; and Miss Dorothy Brockman, Coordinator, complete the constellation.

THE GUIDING LIGHTS *in our universe*

Mr. J. Russell Croad

ADMINISTRATION

Mr. J. Russell Croad marks his thirteenth year as Superintendent of Schools for the City of Burbank. He has unselfishly served our school system in every way.

Our appreciation to the members of the Board of Education for the assiduous job they are doing in managing our school system.

DATA HEADQUARTERS

The secretaries are standing, left to right: Mrs. Florence Ruddick, Miss Martha Jane Topping, Mrs. Nadine Ross, Mrs. Marie Anton, and Miss Irene McDowell. Seated is Mrs. Opal Fraser.

A normal day in the lives of these busy ladies involves a variety of requests. The boys at the counter are, Howard La Pittus, Vic DeMambro, David Hemphill, Chuck Holdt, and Mike Elliott.

The office is Data Headquarters. Secretaries have done the work of an electronic brain in keeping all the records of the various departments and making life at JB run smoothly.

DEPARTMENT OF MEDICAL RESEARCH

The Department of Medical Research is ably headed by nurse, Mila Frantz, who gives generously of her time to keep members of JB in top shape.

PTA—STELLAR SUPERVISION

Good will is distributed through the work of the Parent-Teacher Association. The Board meets to discuss activities for the year. First row, left to right: Mrs. Fred Baker, Mrs. Stanley Mathews, Mrs. Lewis Gordon, and Mrs. Tom Jones. Back row, left to right: Mrs. Edward Embick, Mrs. Clayton Atkinson, Mrs. Ruth Straley, Mrs. Ernest Casprowitz, Mrs. Warren Foster, and Mrs. Robert Buss.

LAB ASSISTANTS

Mrs. Lanora Crawford, Mrs. Hilah Price

Student Helpers Aid the Librarians

Mrs. Lanora Crawford and Mrs. Hilah Price are our librarians. Our researchers go out of their way to see that everyone is provided with all the information they request. In addition to the knowledge supplied by myriads of books, our library subscribes to many magazines and research publications. Student library helpers make these readily available.

COOKS

Our cooks are consistent in preparing the fine food which we receive. They also prepare all the food which is served at our JB banquets. Left to right are: Rosemary Pope, Flossie Simms, Lena Pernot, Virginia Edgar, Louise Rodermocker, Vivian Ford, Opal Hogan, Hilda Silvermor, Eleda Hansen, Esther Hines, and Dorothy Schultz.

CASHIERS

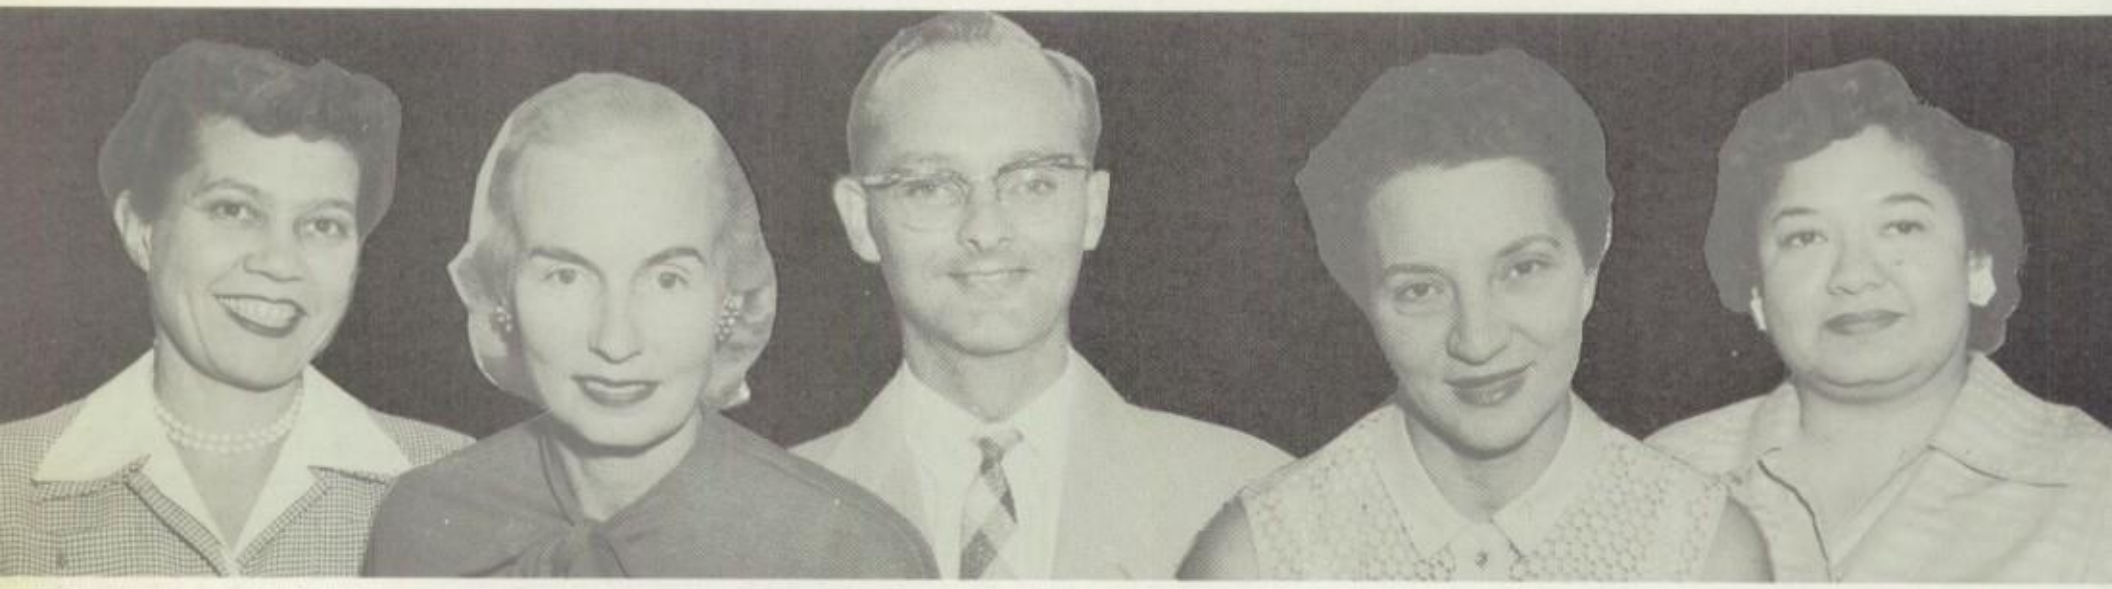
Our cashiering staff includes: Janet Costello, Anita Lippman, Roberta Embeck, Jayne Schroeder, and Joan Walliard.

CUSTODIANS

We give credit to the custodians for helping to keep JB beautiful. Left to right: Anthony Bougeois, Lester Rogers, Frederick Furman, Paul Pereau, Frank Ranslem, Robert Gutweiler, Henry Perkins, Martin Walsh, Albion Harrison, and Inez Pedigo.

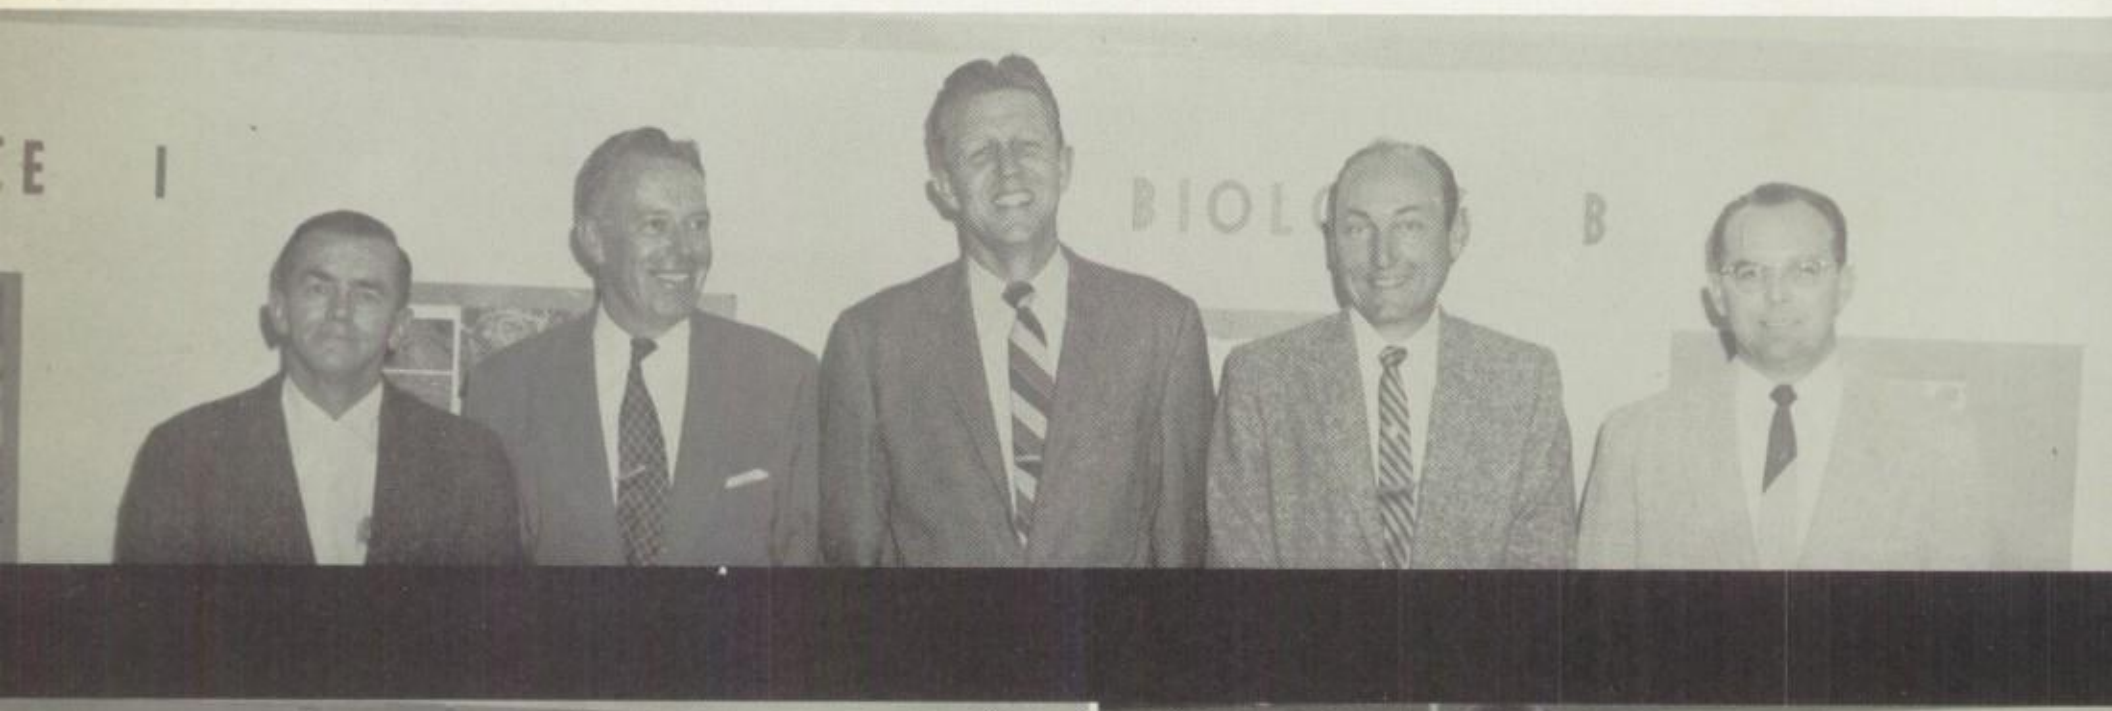
FACULTY

Molders of our future



The variety of languages offered at JB adds color to the lives of the students. Left to right: Mrs. Elizabeth Benson, Mrs. Carmen Simms, Mr. E. Dovell White, Mrs. Irene Classetty, and Mrs. Ida Silva.

Science means knowledge. Purveyors are: Mr. Edwin Brigham, Mr. Patrick Dowd, Mr. Ernest Polster, Mr. Ralph Witt, and Mr. William Hill.

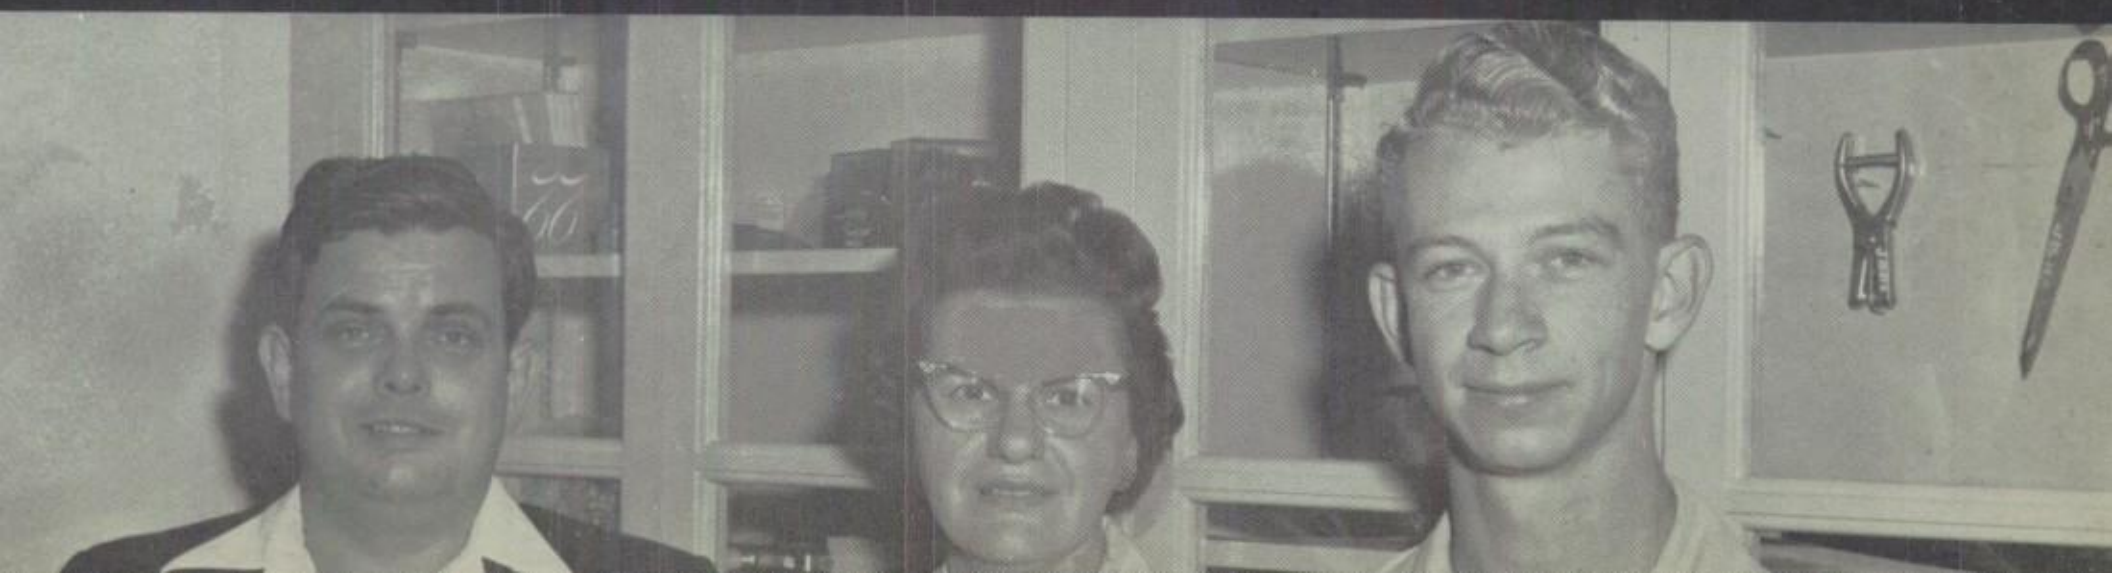


JB's fine English staff teaches students to read, write, and speak fluently and correctly. Left to right: Mrs. Theodosia Wilkinson, Mr. William Carpenter, Miss Janet Seidl, Mr. Leonard Fass, Mrs. Thelma Royer, Miss Coral Williams, Mrs. Lorraine Ewart, Mr. Robert Crowley, Mr. John Sage, Mrs. Elizabeth Shearer, and Mrs. Sally Beaton.

The seniors who leave JB to meet the problems of the world never forget their senior guidance teachers. Left to right: Mr. Robert Voss, Mrs. Blanche Taylor, Miss Dorothy Brockman, Mr. Lloyd Thomas, Miss Henrietta Nelson, and Mr. Linwood Gould.

Below, Far Left—JB boasts this excellent staff of PE teachers: Left to right: Mr. David Tansey, Mr. James Eacutt, Mr. Jack Drager, and Mr. Leon Shortenhaus. And in the girls' PE department there are: first row, left to right: Mrs. Elizabeth Hill, Miss Mildred Sawner, and Miss Marilyn Springer. Top row, left to right: Miss Bittersweet Wojtyla, and Miss Gladys Lee.

Below—The talented art teachers are: Mr. Conley McLaughlin and Mrs. Helen Manezon. The congenial photographer is Mr. Richard Bollinger.



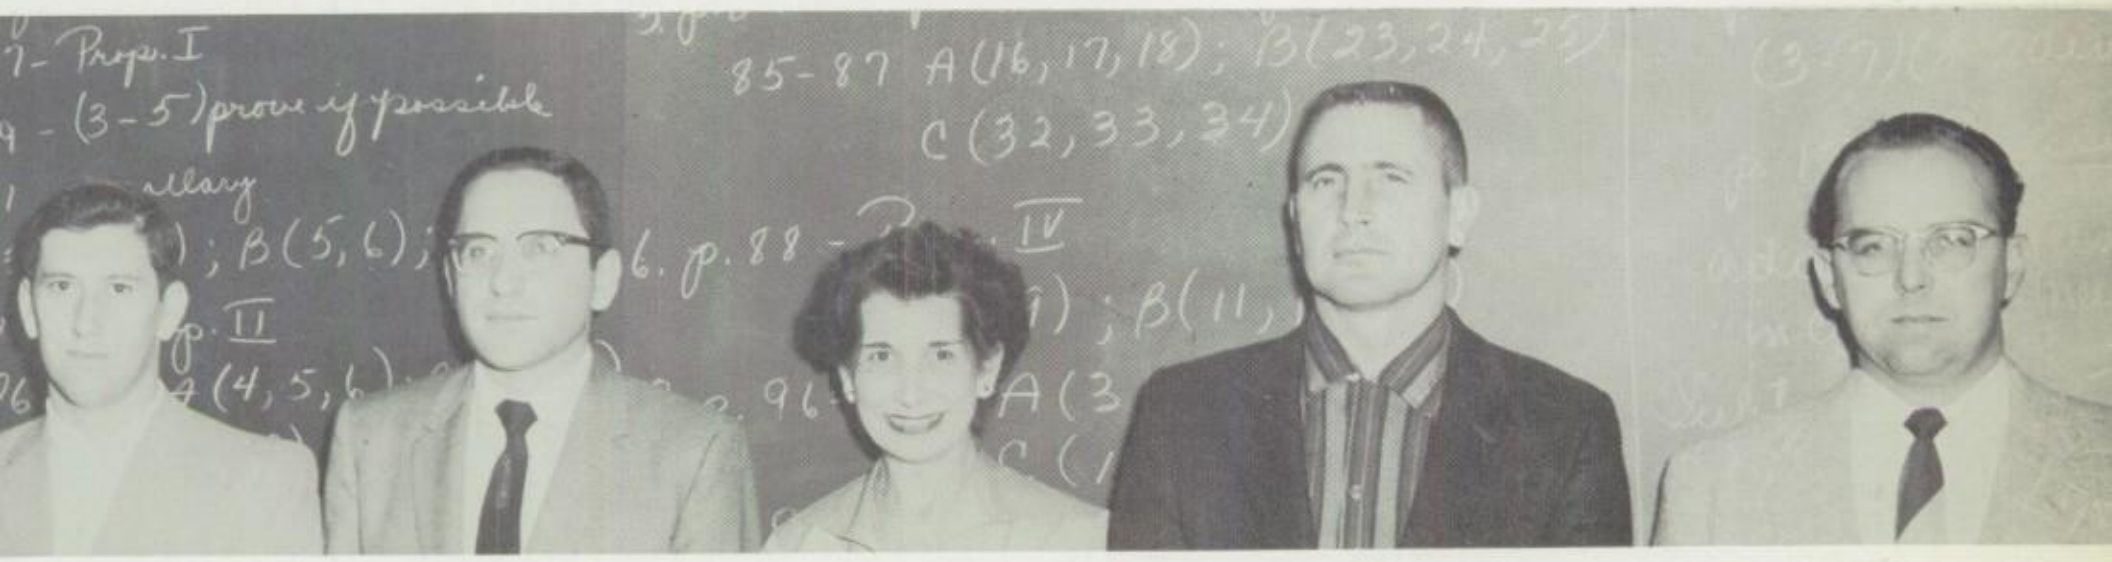
Members of the history department are: left to right, Mr. Melvin Brown, Miss Carole Sebastian, Mr. Ralph Brandt, Miss Jean Ewing, Mr. George Boone, Mr. Thomas Marshall, Mr. John Le Sueur, Mr. Edward Williams, and Mr. Floyd Smith.

FACULTY

The industrial arts department turns out skilled workmen in many fields. Left to right: Mr. Stanley Aspittle, Mr. William Beaver, Mr. Gaylord Boyer, Mr. Ronald Gaitskill, Mr. Wilbur Day, Mr. Ivan Williams, and Mr. Walter Lewis.

The music department provides entertainment of high caliber under the direction of Mr. Robert Rose and Mr. Dwight Martin. The drama department, led by Mr. Robert Browning, provides an array of many promising stars.

From arithmetic to calculus, an understanding of mathematics is invaluable. Our math teachers are, Mr. Edward Viskocil, Mr. Gersen Grosmark, Mrs. Mary Frances Liston, Mr. William Flora and Mr. William Hill.



The teachers of the Business department train our future office workers. They are, Mr. Raymond Hroscikoski, Miss Joanne Pamer, Mrs. Vivian Pogue, Miss Mildred Sawner, Mrs. Florence Trempe, and Mr. Philip Maechling.

Below—Mrs. Olive Wemett, Mrs. Katherine Arnerich and Mrs. Marjorie Cain are preparing our girls to be fine homemakers.

TEACHER OF THE YEAR

Mr. "Lefty" Thomas played basketball at Burbank High School under Coach Weybright. He went to Glendale Junior College and then to the University of California at Santa Barbara for his BA degree. He received his MA and General Secondary Credential at the University of Southern California. He is married and has a son and daughter.

During his busy school days, he lettered for three years in baseball and for four years in basketball. He is a member of the Inter-Fraternity Council.

When Mr. Thomas arrived at Burroughs in 1954, he renewed his friendship with "Coach" Weybright. His first teaching assignment included American history, mathematics, and coaching. He now teaches senior problems in addition to coaching B basketball. The popular senior teacher and coach has influenced the lives of all who have been fortunate to know him with his outstanding friendly ways, his sincerity, and high ideals.

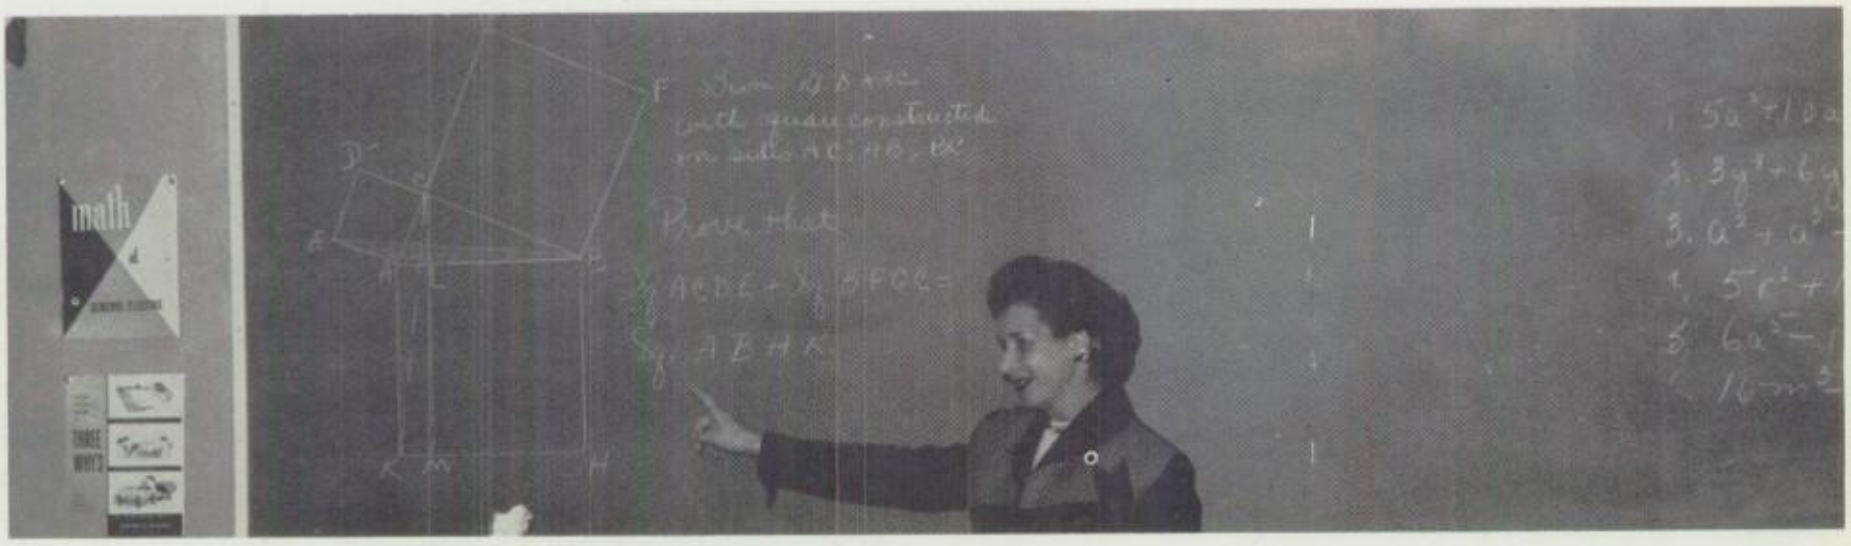
TEACHER OF THE YEAR

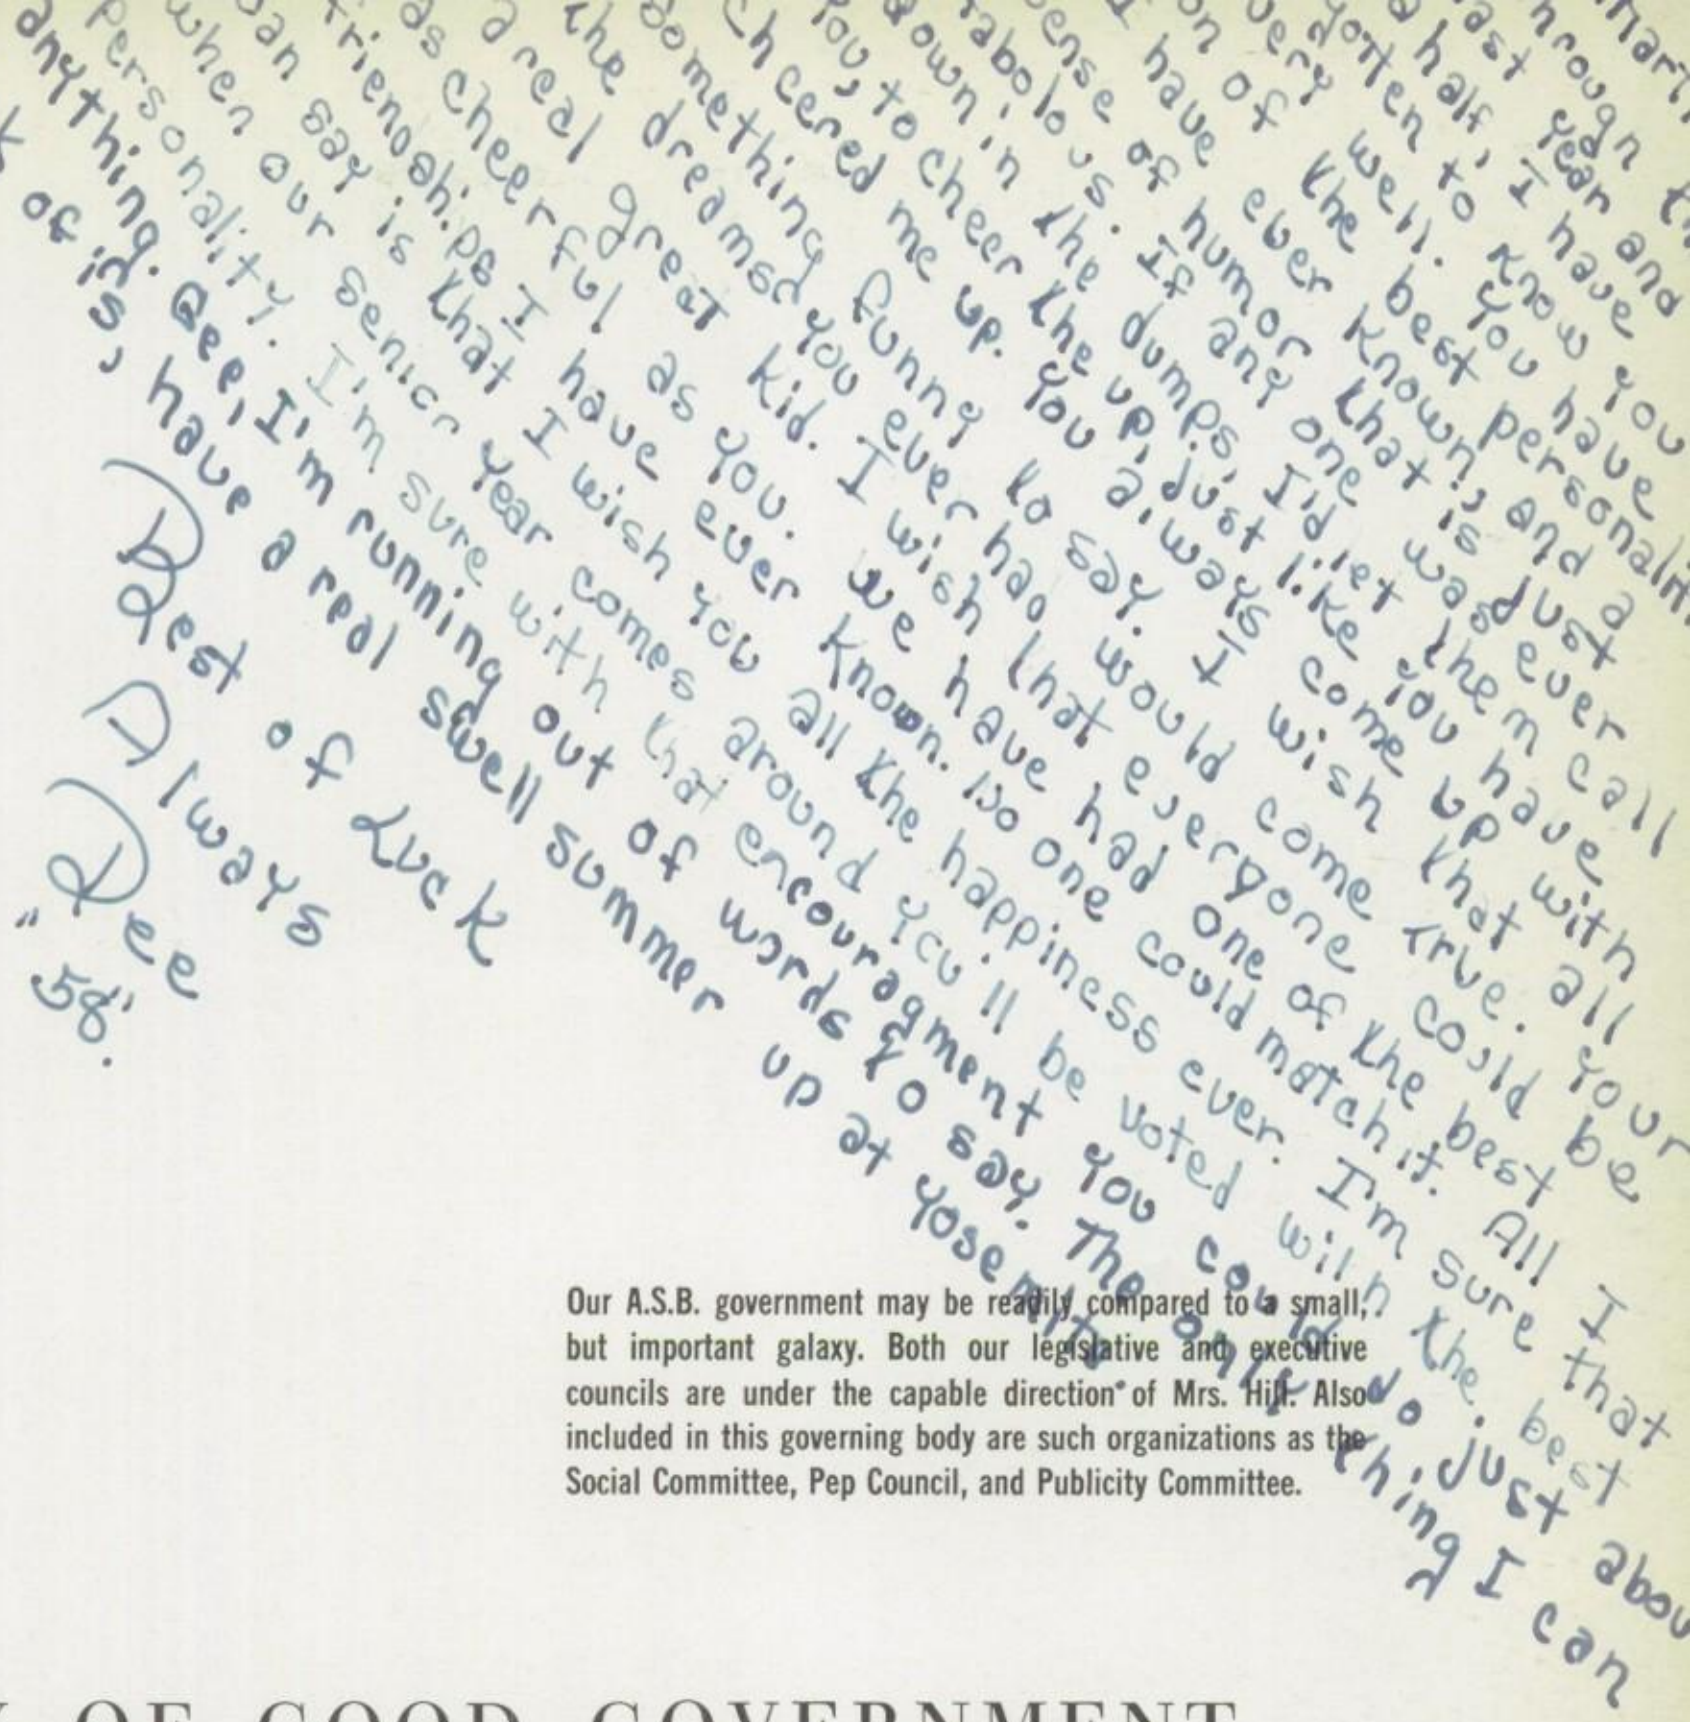
Mrs. Mary Frances Liston teaches mathematics at JB. With her patience and understanding, she has helped many JB students to master algebra and geometry. Mrs. Liston, a very excellent student in her own right—a member of Phi Beta Kappa—received her BA at the University of Ohio. She obtained her secondary teaching credential at USC before joining the teaching ranks. She taught at John Muir Junior High before coming to Burroughs.

Mrs. Liston is still very strongly connected with her Alma Mater. She is a member of the Board of Directors of the University of Ohio Alumni Association and has been appointed Chairman in Charge of the Educational Scholarship Committee for the Annual Spring Alumni Reunion.

Our popular math teacher has been granted a National Science Foundation Fellowship for this summer and will attend Rutgers University at New Brunswick, New Jersey, for six weeks. She will travel East accompanied by her five-year-old daughter.

Mrs. Liston is an all-around good sport. She has been an advisor for our Bowling Club and has gained the respect and admiration of its members. Her good nature and charming personality have made Mrs. Liston a well-loved teacher at Burroughs.





Our A.S.B. government may be readily compared to a small, but important galaxy. Both our legislative and executive councils are under the capable direction of Mrs. Hill. Also included in this governing body are such organizations as the Social Committee, Pep Council, and Publicity Committee.

GALAXY OF GOOD GOVERNMENT

A galaxy is an extremely vast star system that exists in complete harmony. Our galaxy, known as the "milky way," is considered one of the greater galaxies. Throughout the years galaxies have become symbolic of universality.

A.S.B. OFFICERS

TOM BOYSEN, popular Student Body President, took time out from his many extra activities to do a wonderful job of heading the student government at JB.

Popular and versatile BILL WALLACE has diligently performed his job as winter ASB Vice-President.

GEORGANN ZAHN, ASB Secretary, and BRENDA BRYANT, Recording Secretary, took care of all the written work for the ASB last winter.

LINDA FELDT served as winter ASB Auditor and did a very accurate job of keeping money matters straight.

The Executive Council is made up of all the ASB officers plus the Girls' League and Boys' Council Presidents. This council meets to discuss many of the problems that arise in a high school.

SUMMER OFFICERS

Moving up from ASB Vice-President to President this semester is Bill Wallace. With a semester's experience behind him, he does a great job.

Lon Golnick was elected ASB Vice-president for the second semester. He is a real help, not only to the President, but to all the Cabinet members.

Moving up from Recording Secretary to ASB Corresponding Secretary this semester is Brenda Bryant. Mickey McGarvey aids her as Recording Secretary.

Karen McKenzie fills the position of ASB Auditor during the spring semester. She proves to be an efficient and accurate officer.

Members of the spring semester Executive Council are Mrs. Hill (advisor), Brenda Bryant, Fru Elliott, Karen McKenzie, Lon Golnick, Mickey McGarvey and Bill Wallace.

WINTER LEGISLATIVE COUNCIL

Senior representatives are, front row, left to right, Donna DeVol, Brenda Bryant, Audrey Matthews, Judy Donney, Gail Taylor, and Della Redden. Second row, Betta Tacchini, Fru Elliott, Melinda Puryear, Sharalynne Stein, Judy Keller, and Scharlene Freeman. Third row, Sally McCarty, JoAnne Schepman, Linda Feldt, Sherry Nadler, Sharon Lawton, Georgann Zahn, Jean Toilack, and Joan Robison. Back row, Greg Foster, Bill Wallace, George Casprowitz, Tom Boysen, Denny Kennan, and Harold Pessin.

Junior representatives are, front row, left to right, Mary Duby, Sue Phelps, Karen Buss. Second row, Deanna Erickerson, Jackie Smith, Pat Murman, Joan Baucum, and Francie Boysen. Third row, Ted Lang, Mickey McGarvey, Hal Daugherty, Bob Stevens, Denny Butterworth, and Noel Johnson.

The Legislative Council is an organization composed of presidents from our various organizations and representatives from each guidance class. These delegates meet on alternate Tuesdays to discuss and solve many school problems.

Sophomore representatives are, front row, left to right, Marlene Kurey, Pat Smith, Karen Conrad, Barbara Allman, Diane Reedy, and JoAnna Poe. Second row, Sherry Snow, Irene Harrison, Sandy Spinoso, Grace Goga, and Sue Read. Back row, Louie Alcantar, Bird Heller, Ed Cook, Bob Goudie, Jack Koch, Tyce Fitzmorris, Tommy Bronson, and Chuck Filbert.

SUMMER LEGISLATIVE COUNCIL

The Legislative Council meets the second and fourth Tuesdays of every month. It has proposed several changes to the school constitution. It has created the office of yell coordinator and five-year passes have been approved for Varsity and B team members of every sport.

FIRST ROW: Sharalynn Stein, AFS Committee Chairman; Karen Buss, Publicity Committee Chairman; Carole Morris, Rally Committee Chairman; John Bates, Pep Council Chairman; Lon Golnick, ASB Vice-President; Karen McKenzie, ASB Auditor; Mickey McGarvey, ASB Recording Secretary; Fru Elliott, Girls' League President; Dave Banta, Boys' Council President; Tom Boysen, Senior Class President; and Mike Evans, Junior Class President.

YELL LEADERS

Burroughs can be proud of the spirit that has been encouraged so greatly by this year's four yell leaders; Audrey Mathews, Pat Murman, Judy Keller and Janine Dunn.

Audrey, a senior, has helped lead the cheering section for basketball last year and again this year for football and basketball. This petite little blond has shown great enthusiasm and sparkle in her role.

Pat Murman, who has shown limberness and action in her yell leading, is in her second year at Burroughs. As a junior, Pat has achieved much approval.

Senior Judy Keller may be well described as a happy-go-lucky, interested, and peppy member of the yell leaders. Judy has been constantly vivacious. Janine Dunn, also a senior, has given her "all" to bring about pep and interest to the student body. Janine, with the other three girls, has given much aid in the field of clever and expressive yells.

MINORETTES

Minorettes performing routines and formations during halftime activities have been skillfully taught by Judy Donney, Susie Jennings, Jo-Ann Chapton, Nancy Hefflefinger, Jan Vivrette, Miss Springer (advisor), and Pat Fox. These girls were chosen by the minorettes to create clever routines to stimulate spirit.

Many hours were spent on practices both early morning and late evenings. The successful routines they showed during football games were due to the "behind the scene" practices, no breakfast, little sleep, and cold mornings.

At the Burroughs-Burbank game the minorettes joined in with Burbank High's drill team to perform at halftime. The red, white, and blue pom poms made for a colorful event.

SONG LEADERS

Songleaders, JoAnne Quackenbush, Leslie Weiner, Jerriann Brown, Della Redden, and Gail Taylor, have been seen in their various red and white outfits leading Burroughs in fight and victory songs during our exciting football and basketball seasons. Their active routines have encouraged cheering sections to do their loudest and most spirited singing.

MASCOT

Wearing the traditional Indian costume is mascot, Debbie Morris. Debbie helped lead the football teams to victory. Acting as a lucky charm during football season. Debbie's good nature and encouragement helped to make the score of the annual rival game with Burbank a glorious 28-19 in our favor.

The minorettes are, front row, left to right, Sandy Minor, Janet Jappe, Dorean Ryan, Betty Moore, Annette Hunter, Sandy Bond, Nancy Hefflefinger, Delores Stene, Cindy Eklund, Carol Scott, Sharon Shollin, Jan Vivrette, Melinda Marshall, and Joan Freeman. Second row, Susie Jennings, Sandy Offenstein, Pat Barlow, Jo-Ann Chapton, Diane Hill, Toni Corwin, Natalie Wilkins, Linda Brown, Judy Weeks, Joan Griffith, Cynthia Aubley, and Irene Simon. Back row, Barbara Mills, Paula Hardin, Joyce Cerjak, Marty Lentz, Marilyn Miller, Sandy Goodban, Glenda Dempsey, Pat Fox, Gail Jones, Sharon Miller, Roberta Embick, Sharon Lawton, Jonna Baker, Diana Barton, Kathy Roe, and Judy Donney.

MAJORETTES

Batons were flying during the most active and clever stunts this year during football halftimes. Head majorette, Joan Robison, has displayed great talent. Ann Bennette, Sharon Sharpe, Judi Eaton, and Rossie Bellah were dressed in startling red and white Indian costumes and wore long yarn braids as symbols of the Indian squaws. These girls planned all their own routines and perfected them.

Rally Committee is to be given the credit for the spirited rallies presented at JB. Members are, FRONT ROW, left to right: Sharon Lawton, Joan Robison, Pat Murman, Carol Morris, Debbie Morris, Ginny Bloom, and Gloria Campbell. SECOND ROW: Pat Stroble, Donna DeMartino, Jo Gore, Sally Irons, Della Redden, Leslie Weiner, Melinda Marshall, Melinda Goss, and Gail Taylor. THIRD ROW: Janine Dunn, Audrey Mathews, Judy Keller, Brenda Bryant, James Haynes, Sharon Thill, Jo-Anne Quackenbush, and Judy Belger.

ASB COMMITTEES

The Publicity Committee publicized school events big and small, in everything from bulletin notices to posters in the halls. Members are, FRONT ROW, left to right: Karen Buss, Mary Berry, and Sherry Bond. SECOND ROW: Mary Shumway, Bobbie Natalino, and Lisabeth Scarberry. THIRD ROW: Sponsor Mrs. Trempe, Vanette Van Note, Margo Hartung, Karen Dreyer, Evelyn Stewart. BACK ROW: Dave Bell, and John Stockton.

Under the direction of Mickey McGarvey, chairman of the Pep Council, the participation of the students in the JB card section became a successful reality.

Mrs. Benson's scintillating personality helped the ASB Social Committee create more interest in social affairs by making them such unforgettable occasions. Members are, FRONT ROW, left to right: Teresa Lawson, Carol Dickason, and Jean Tollack. SECOND ROW: Carla Vaccariello, Diane Reedy, Linda Dickason, Froma Weisberg, and Dorothy Jones. THIRD ROW: Darlene Jones, Diane Cooper, Rod Holton, Mrs. Benson, Patty Shorb, and Bonnylee Hansen.

Lana DeLand, Dorothy Alexander, Mr. Carpenter (advisor), Pam Gould, Brenda Dionne, Barbara Berndt, Brenda Oberstein and Sally McCarty are members of the Assembly Committee. They have given their time freely to the bettering of our assemblies.

AMERICAN FIELD SERVICE

Hannes' friends, Hal Daugherty, Dave Grimes, Harry Stone, and Andy Gordon, help him to become acquainted with the young American's way of living. Hannes belongs to the Leaders Hi-Y, a large Y club made up of boys from Burbank, and Burroughs. He likes to go water skiing and enjoys parties.

During the first part of the school year the students of Burroughs had the good fortune to make the acquaintance of Betta Tacchini of Ancona, Italy. During her stay she participated in a variety of activities. She was a member of a senior Y club and took part in GAA activities. The picture above of Betta and Mr. Weybright is the same one that was printed in her home town newspaper.

Our Foreign Exchange student this year is Hannes Friedrich. He attended school at Felix-Klein-Gymnasium in Gothingen, Germany. He speaks German, English, French, and Latin. Hannes has several hobbies, but he likes fencing, track, and takes an active interest in the Boy Scouts. After his arrival in Burbank he received the customary short hair cut and he now looks like the average American boy.

Georgann Zahn was the first foreign exchange student from Burroughs to go abroad. Pictured below is Georgann at a party for the exchange students from America and Canada.

The object of the American Field Service is the exchange of superior students of American schools with superior students in schools of thirty nations of Europe and Asia. At the present time, there are 1,000 foreign exchange students in America, and there are 700 American students abroad.

The American Field Service Committee at Burroughs works out the plans and details for the exchange of students to and from Burroughs. They arrange the assemblies through which the student body is able to meet the exchange students. They also help to publicize the program throughout the city and the schools. Most important of all, they help the exchange students to adjust to their new country. Members of AFS committee are Mary Duby, Carmen Gomez, Sherry Oliver, Francie Boysen, Margie Klein, Sharalyne Stein, Judy Soderstedt, Hannes Friedrich, Dave Grimes, Victor Staggs, and Jean Hurwitt.

Members of the Girls' League board are: FRONT ROW, left to right: Carol Dickason, Deanna Roberts, Fru Elliott, Jo-Ann Chapton, Donna DeVol, Mary Kaye Deschamps, Mary Beth Beiwener, Bobbee Gluckman and Marty Lentz. SECOND ROW: Melinda Puryear, Maryann DeGennaro, Merilee West, Joan Gould, Merrily Hedden, Sandy Kusch, Carol Morris, Joan Eberth, Sharlene Freeman and Pam McIntire.

Dressed in typical crazy day outfits are Dave Seldon, Gary Hinckley, Cort Goudie, Denny Kuhr and Kenny Provasi.

GIRLS' LEAGUE

The mothers of Burroughs girls spent a very pleasant evening at the Mother and Daughter Banquet sponsored by the Girls' League during the fall semester.

Members of the Girls' League Social Committee are: FRONT ROW, left to right: Jan Vivrette, Marilyn McPherson, Marty Lentz, Sherrie Weinzveg, Dorothy Rushing. SECOND ROW: Mary Duby, Debbie Geraci, Judy Spinoso, Irene Simon, Linda Schiada. BACK ROW: Lonnie Elgart, Sandy Minor, Nancy Hefflefinger, Cathy Langan, Cindy Eklund, Karen Ayers and Sharon Miller.

Mrs. Ruth Straley has gained the love and respect of all those who know her. The success of the events sponsored by the Girls' League is due to her patience and ability.

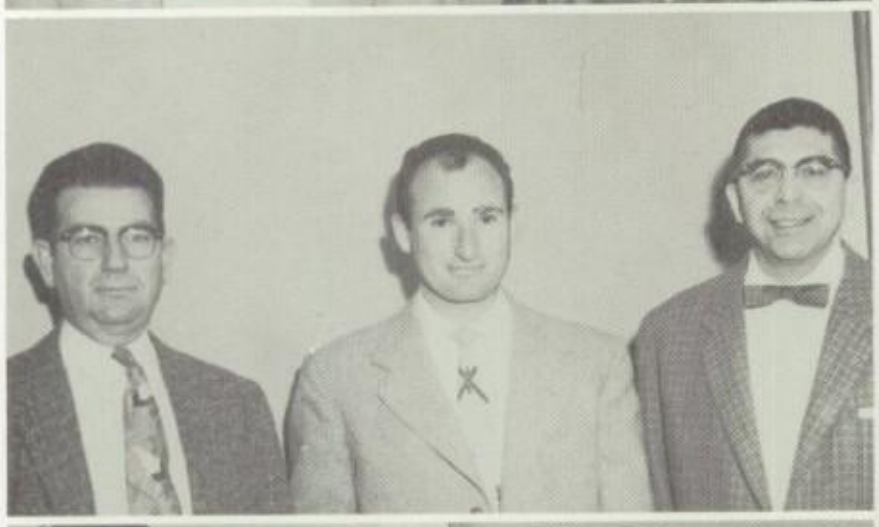
With the able assistance and thoughtful suggestions of Mrs. Liston, Mrs. Ewart, Miss McDowell, Mrs. Wemett, Mr. Fass, Mrs. Cain and Mrs. Crawford the Girls' League functions have been unsurpassed.

Serving as winter Girls' League officers are, left to right: Joan Eberth, Jo-Ann Chapton, Donna DeVol, Mary Kaye Deschamps, and Mary Beth Biewener. President Donna DeVol gained the respect and admiration of all the board members. She presided at all the morning meetings and did a wonderful job managing all Girls' League activities. Jo-Ann, in the office of vice-president, took care of the little odd jobs. Taking accurate minutes was Joan, recording secretary, and Mary Beth was responsible for all the Girls' League correspondence. Treasurer Mary Kaye had the big job of accounting for the money.

Left to right are the Girls' League summer officers: Bobbee Gluckman, treasurer; Linda Brown, vice-president; Fru Elliott, the very capable president; Pat Barlow, recording secretary; and Nancy Hefflefinger, corresponding secretary. The annual Date With Dad, the first Mother and Daughter Banquet, and the Backwards Dance were just a few of the successful Girls' League-sponsored activities this past year.

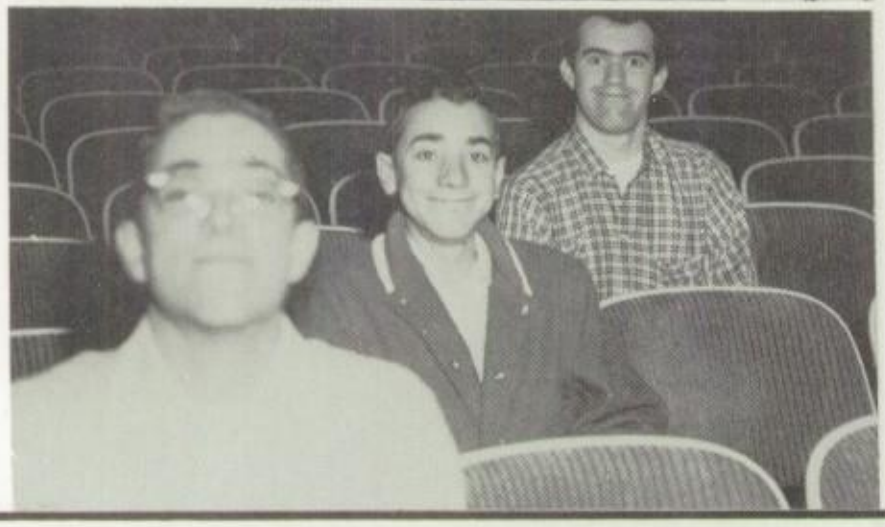
BOYS' COUNCIL

Helping to make this year happier have been Dave Banta and Mike Evans, winter Boys' Council President and Secretary respectively. Their organization has planned many important functions, including the Football Banquet and the Boys' Council Talent Show.



Boys' Council could never have been the true success it was this year without the guidance of the Boys' Council advisors. The advisors, who planned the first semester activities, include Mr. Chavoor, Mr. Smith and Mr. Brown. Mr. Burnside took over Mr. Chavoor's duties during the second semester.

This year's Football Banquet, under the sponsorship of the Boys' Council, was a great success. Along with the customary awards and trophies, each coach gave a little speech. The banquet was concluded with the presention of a plaque from the varsity team members to the varsity coaches.



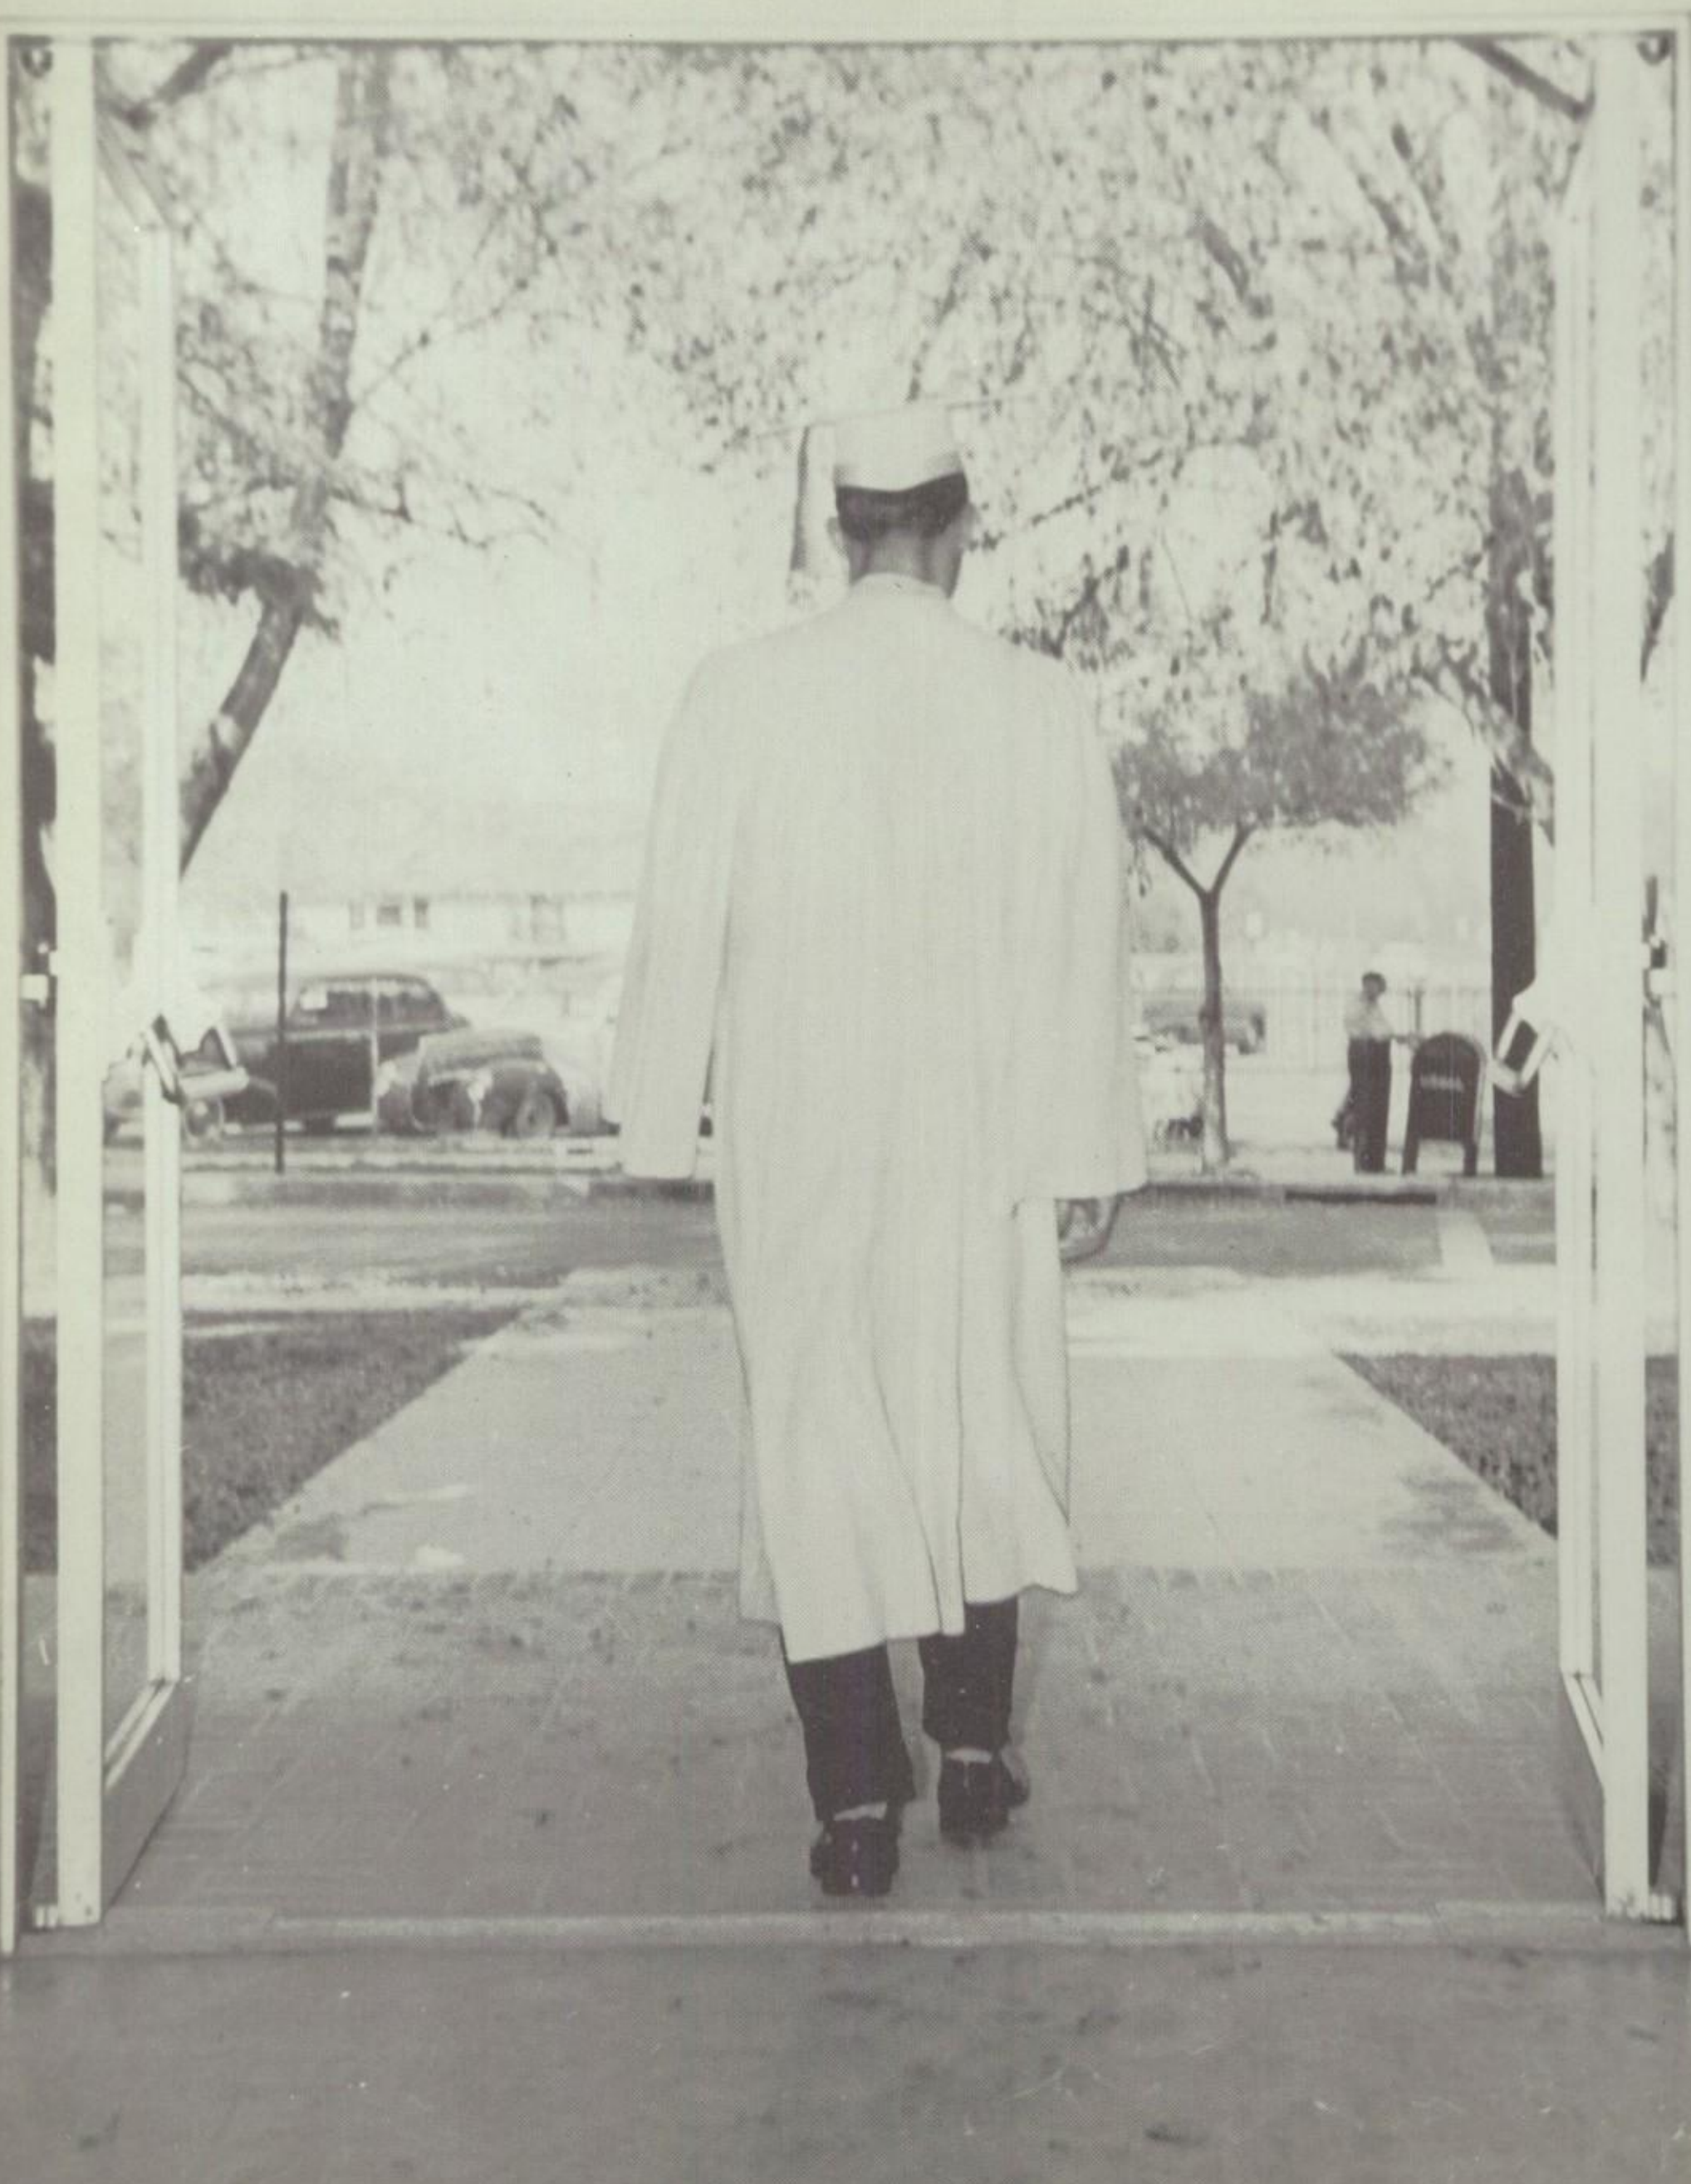
This year's Boys' Council Talent Show was one of the best ever. It was a hilarious take-off on the Juke-Box Jury program. The illustrious panel of Phil Riggs, Bob Nostri, Pat McAllister and Dick Lee handed down their decisions on the up-and-coming records. The talent was provided by some of the more "artistic" boys at JB.

Hannes Friedrich and Lon Golnick seem to be having a great time at the first Boys' Council Mix. The dance, which was done in a western theme, has been planned as an annual affair. It is hoped that this occasion will continue to be as successful as this one.

The Boys' Council Board this year consisted of boys from each grade level. This body governs the activities of the Boys' Council. At present the Boys' Council is reorganizing for next year. They are planning to have elected officers and more equal representation. Along with this they are seeking more ways in which they can serve the school.

Mike Evans is talking to the Boys' Council summer officers, Dave Banta and Chuck Fillbert, who are enthusiastic about our new vice-principal.

Because Mr. Sherman Chavoor left JB at mid-term to become Principal at Jordan Junior High, he was replaced by Mr. Alan Burnside, previously Boys' Vice-Principal at Muir.



Marty,
We has been good
friends knowing you this
past semester.
We've had a struggle through
Senior Week the main
thing is that we made
it. I probably wanna
see you make good this
year but
may you have success
and fortune in your
future years at
Bennington.

Always,
Lynne (5'59)

Our sun sustains life and is the center of our vast system. Each sun, a giant, dwarfs all of its planets and holds its system to it by means of tremendous gravitational fields. Great storms arise on our sun causing sunspots and gigantic prominences whose charged particles hit the earth and cause the great phenomena of aurora and airglow in the night sky. Planets have one or more satellites revolving around them. Satellites are very active, and although they are smaller than the planets they circle, they play an important part in the life probability on planets — influencing weather and tides.

A great deal of attention has been centered on satellites this geophysical year. This year marks the first orbitting of satellites by man.

SUNS, PLANETS, AND SATELLITES

There is a world of difference between the sheltered, immature life of junior high and the broad, more adult surroundings found in high school. Students newly arrived at JB must learn this fact immediately through guidance and leadership from the two upper classes. As the months pass the new students become better oriented to the functions of their new found society, but it is up to the juniors and seniors to influence and direct.

Tom Boysen, chosen MOST LIKELY TO SUCCEED and DOING THE MOST FOR JB, plans to attend either Pomona College or Redlands University and enter the field of medicine or engineering.

Georgann Zahn, also chosen MOST LIKELY TO SUCCEED and DOING THE MOST FOR JB, plans to attend Stanford as her interest lies in the field of international relations.

Bill Wallace wants to major in education at either the University of Redlands or California. He was chosen by the members of his class as having the BEST SPORTS ABILITY.

Fru Elliott, chosen the girl with the BEST SPORTS ABILITY, wants to attend the University of Southern California and study medicine.

OUTSTANDING SENIORS

Brenda Bryant is interested in studying psychology, literature, or medicine at either the University of Redlands or Colorado. Brenda was chosen for her OUTSTANDING PERSONALITY.

Phil Riggs says he wants to be a millionaire but will probably study drama at Los Angeles City College. Phil has the BEST PERSONALITY, according to his fellow classmates.

Carol Alexander, having the best standard SCHOLASTIC ABILITY, plans to major in stenography at Los Angeles City College.

Greg Bachelis, BEST SCHOLATICALLY on the college level, wants to enter Stanford and make his profession either law or engineering.

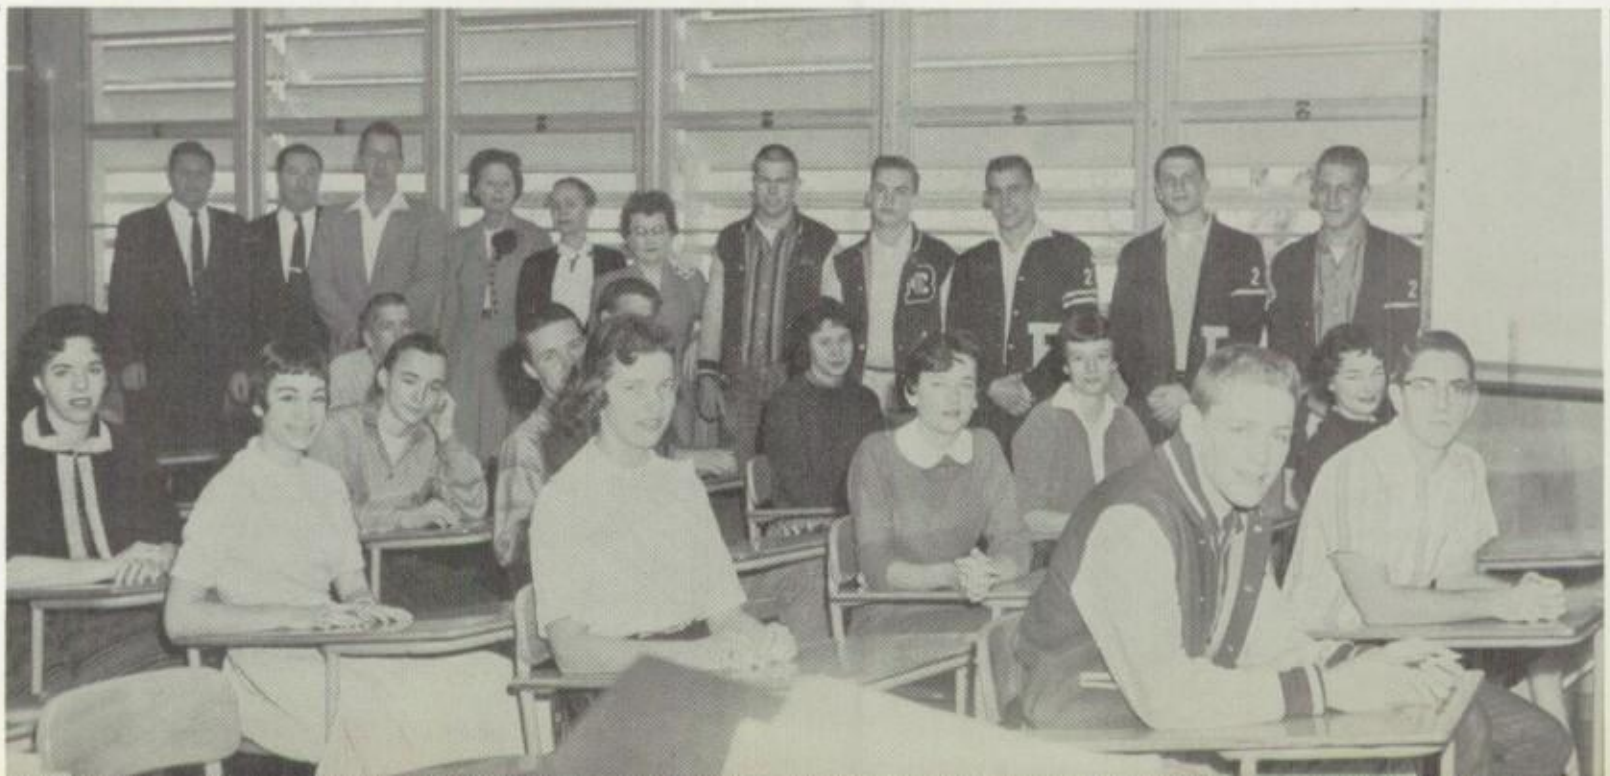
THIRD ROW: Denny Keenan, Fred Morse, Mary Beth Beiwener, Deanna Roberts, Andrea Gillette. FOURTH ROW: Mr. Voss, Mr. Gould, Mr. Thomas, Miss Nelson, Miss Brockman, Mrs. Taylor, Don Niemeir, Steve Taylor, Gary Troyer, Dave Arant, Denny Kuhr.



These jovial "young ladies," who have used crazy day to the fullest extent, are seniors David Seldon, Gary Hinkley, Cortland Goudie, Dennis Kuhr and Kenneth Provasi.

Credit for the terrific success of the hard-to-forget Senior Play, "The Man Who Came To Dinner," is given to its talented cast: Robert Nostri, Pat McAllister, Dale McNamee, Warren Weber, Steve Taylor, Judy Witcher, Bob Rosenwein, Harold Pessin, Ron Lieberman, Melodie Davis, Glen Craig and Bev Herran, standing around Phil Riggs.

Seniors Linda Feldt, Mary Kaye Deschamps, Jo-Ann Chapton, Mary Beth Biewener, Fru Elliott, Punky Boebel and Linda Corwin are using the private senior area for after school snacks.

Denny Keenan, Steve Taylor, and Joanne Schepman served as Senior B officers. They are: President, Vice-President, and Secretary-Treasurer.

SENIOR OFFICERS

Denny Kuhr, Mary Beth Beiwener, Linda Feldt, and Tom Boysen were elected Senior A officers of the summer semester. Shown are Vice-President, Treasurer, Secretary, and President (seated).

Carol Dickason, Charlene Arnold, Andy Gordon, and Hal Daugherty were the AFS finalists in the competition to go to Europe during the summer as part of our foreign exchange program. Candidates are chosen on scholastic ability, friendliness and ability to get along with other people. Students fill out applications, are interviewed and their records are checked by the main office in New York. Andy Gordon was selected this year to make the trip and represent our country as well as our school.

JUNIOR ACTIVITIES

The first junior class officers are President, Mike Evans; Treasurer, Sherry Bond; Secretary, Mary Berry. They plan junior activities for this year and also make plans for next year. Before they were elected, these students helped organize the class and wrote its constitution.

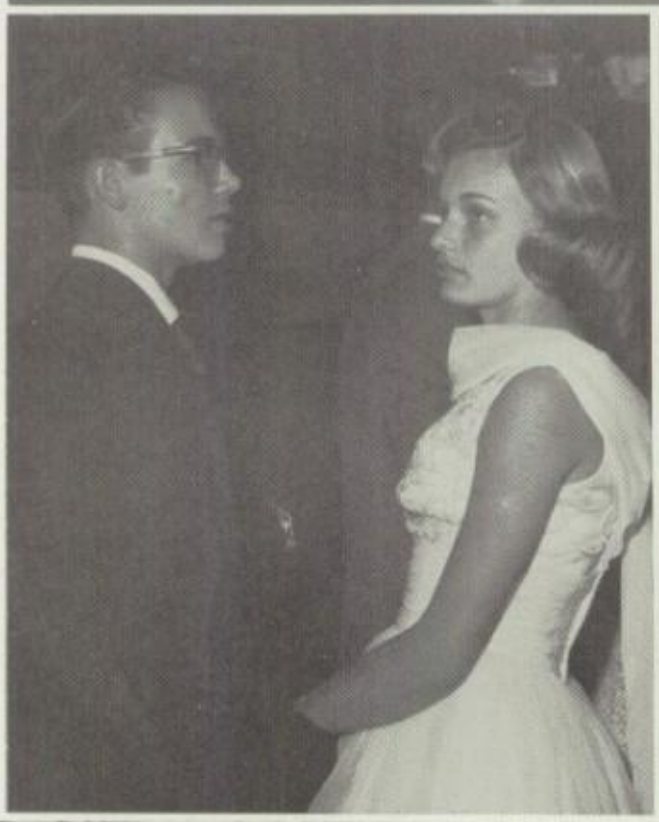
SOPHOMORE ACTIVITIES

Completing reference assignments in the library are Jim Ritchie, Jerry Williams and Paige Timmons.

First sophomore class officers Bob Rigg, President; Carla Vaccariello, Secretary; and Larry Sobel, Treasurer, plan some of their class activities.

Fred Newberry and Pat Blackburn seem to be lost in a fog at the December Backwards Dance.



Shown jogging around the track are two of this year's top sophomore track men, Chick Mokracek and Doug Bohme.

Some of the more promising sophomores include John Bates, Sherry Snow, Chuck Filbert, Carla Vaccariello and Bob Rigg.

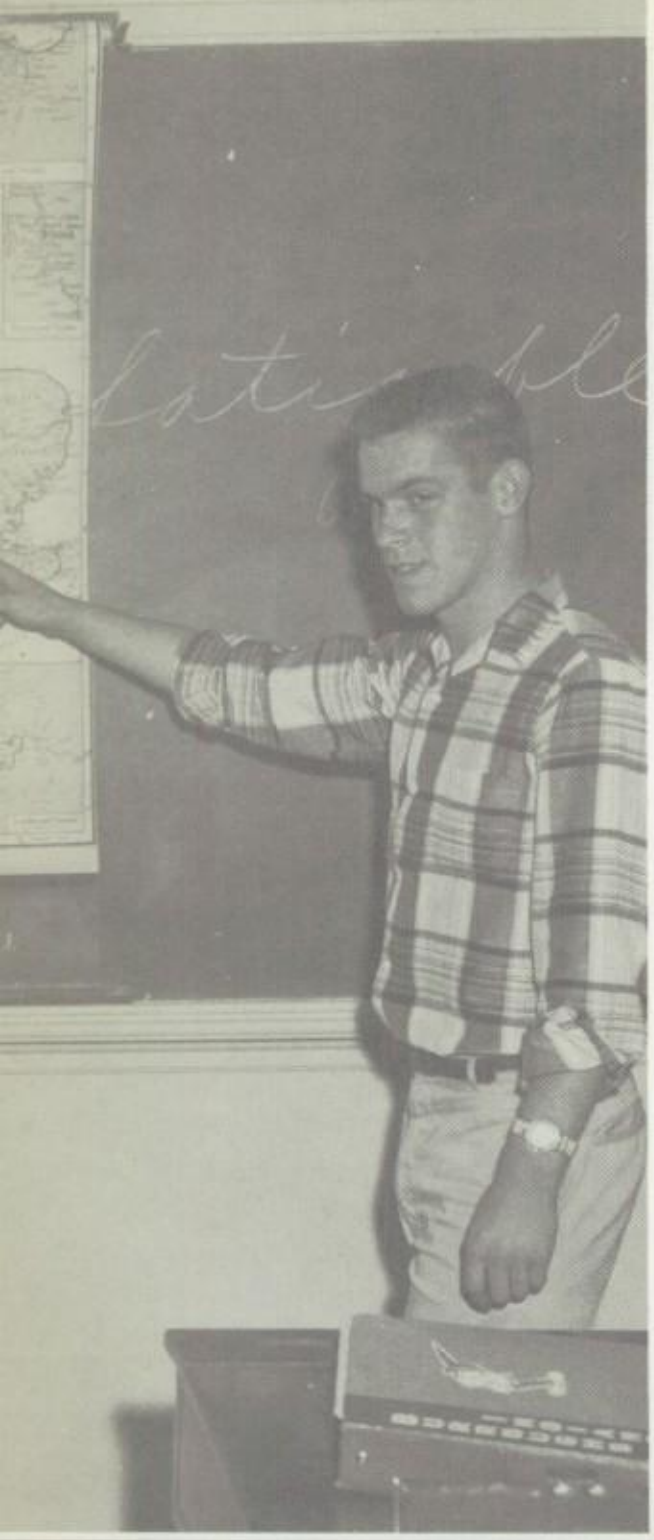
One of the major projects of the 64 nations participating in the IGY is the development of the spaceship, the most awesome, powerful, and intriguing of the three types of rockets in existence. A spaceship is theoretically the fastest, surest, and safest method of reaching a seemingly unattainable goal. The most difficult goals can be reached by proper education.

SPACESHIPS OF LEARNING

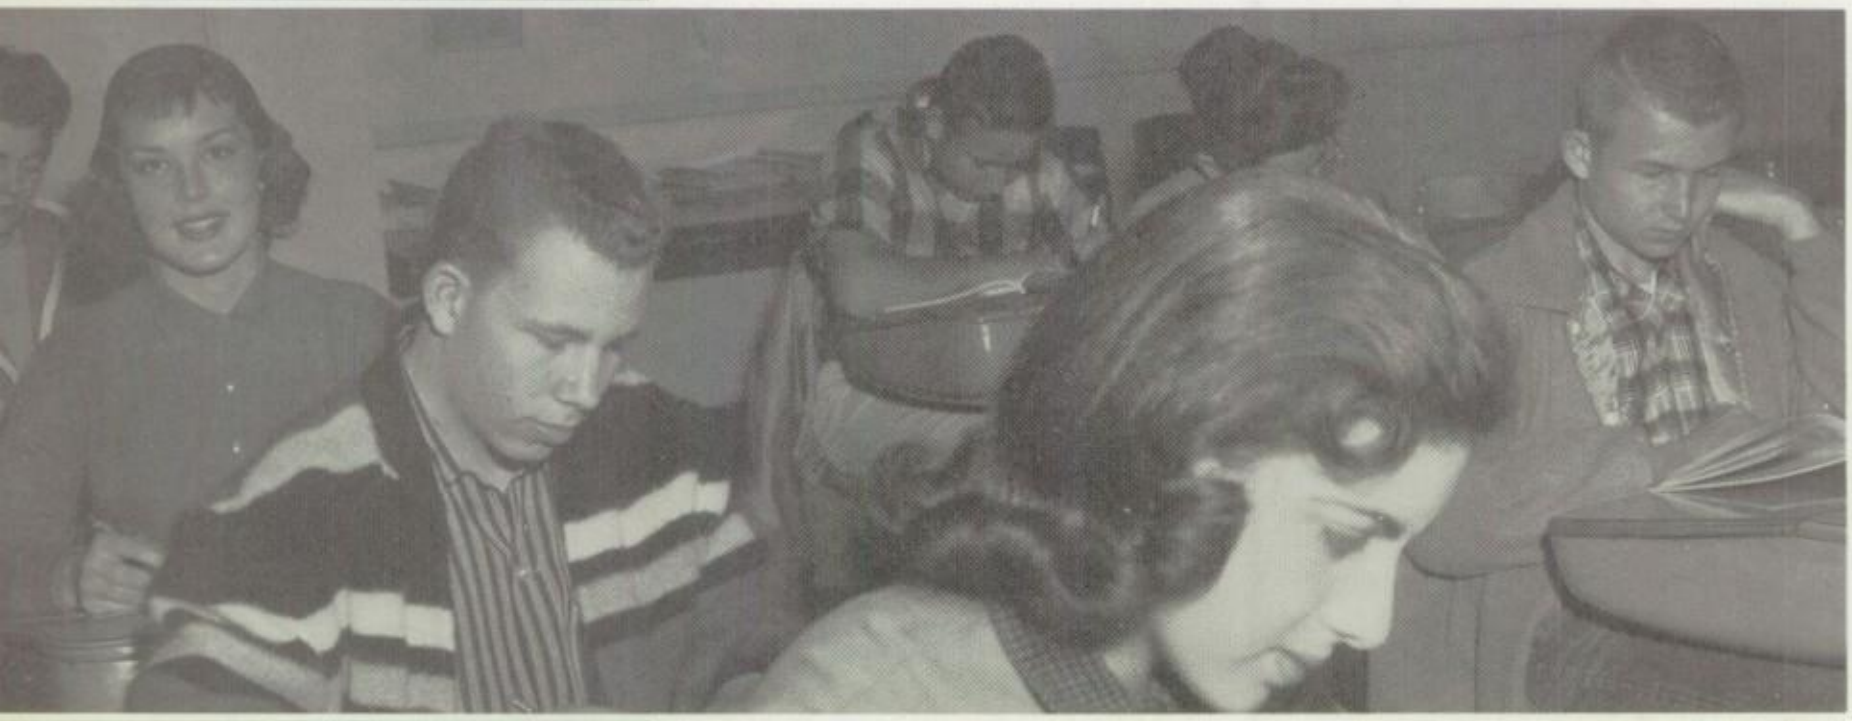
The classes at John Burroughs are the spaceships in which students approach the paramount goal — knowledge. Conveyances such as these will always be available, but only those individuals who have gained the desire and the incentive to learn will finish the flight.



Senior English studies include English literature, grammar, and spelling. Themes on various topics are also written from time to time.

SOCIAL SCIENCES

The sophomore English curriculum varies somewhat during the year. In each semester a great masterpiece is included in the course of study, along with grammar and spelling.

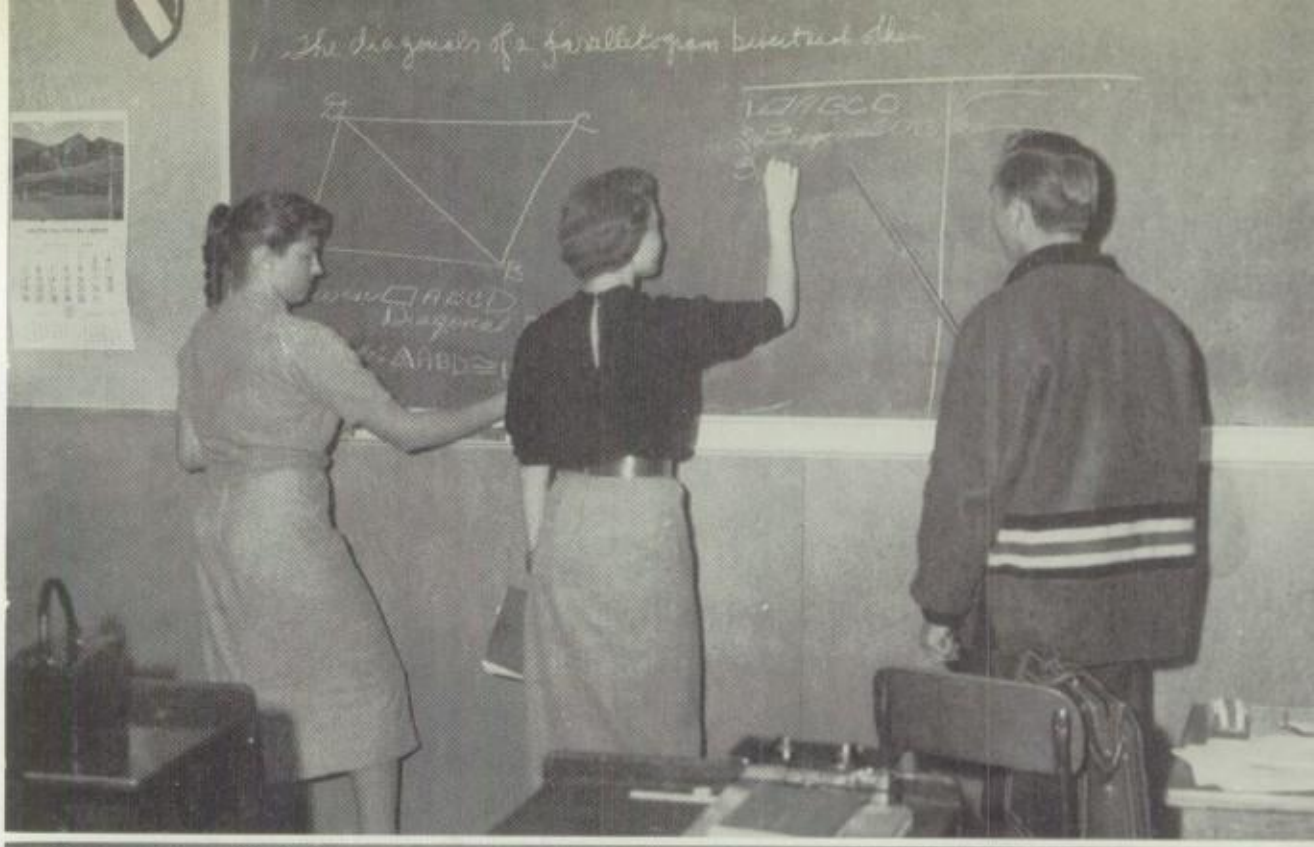


To tie in with the subject matter discussed in U.S. history classes, junior English students study American literature and famous American authors.

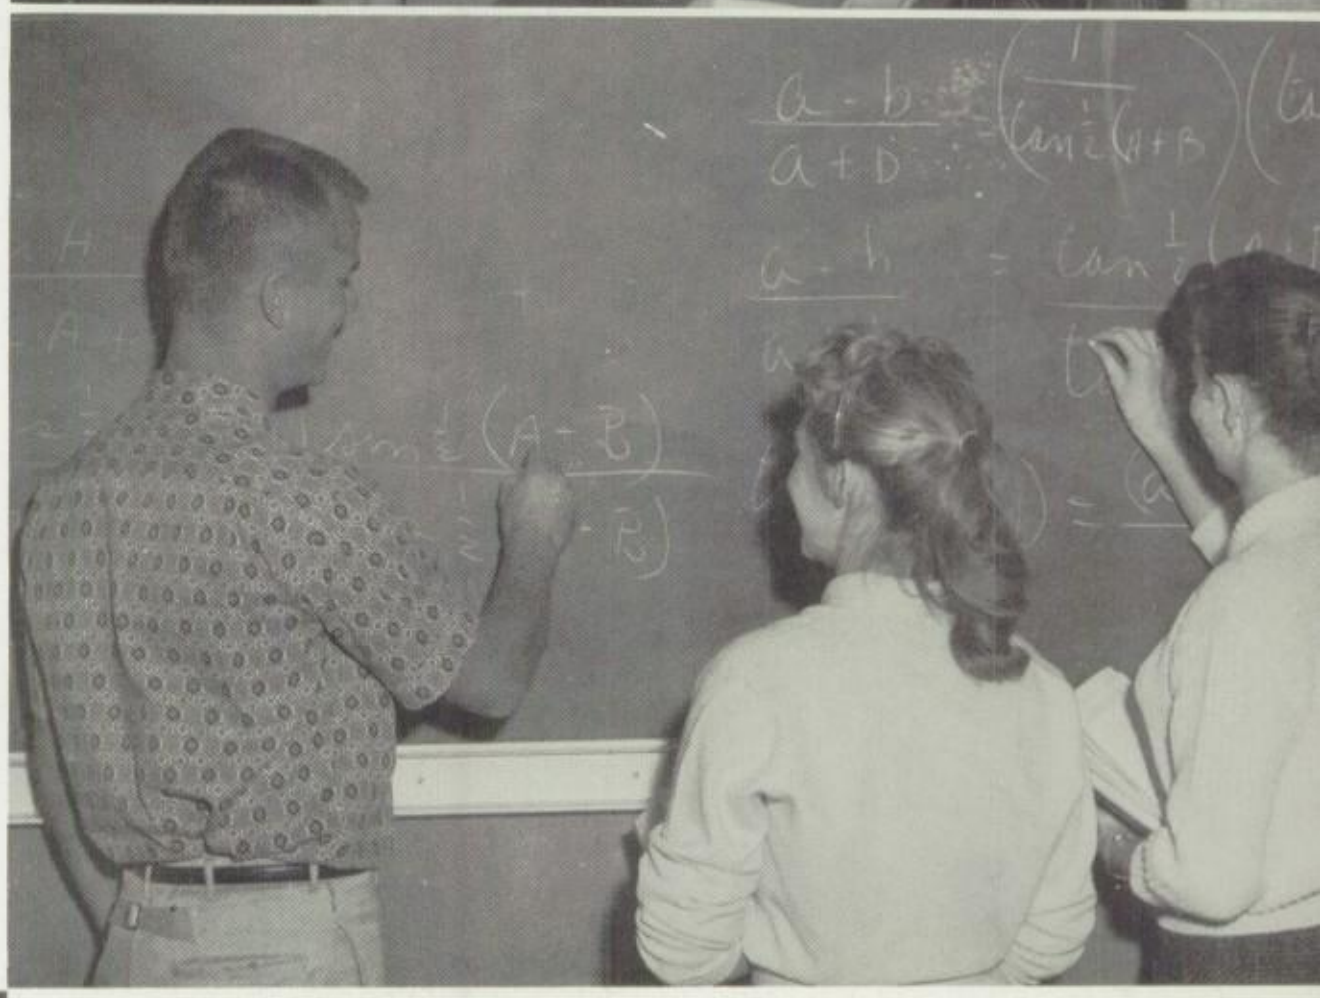
In the junior history classes, students study U.S. history, civics, and U.S. government.

Senior Problems is a class devoted to several subjects including elementary phychology and the orientation to colleges.

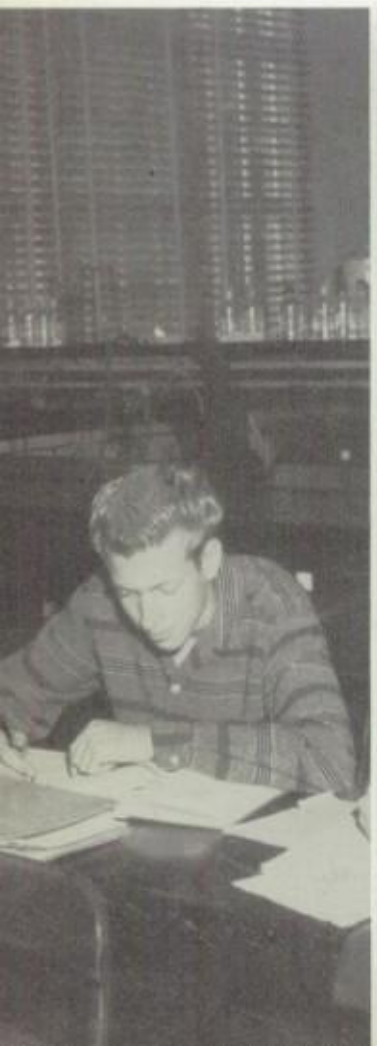
Students in the sophomore history classes cover all the aspects of world history, from primitive man to modern times.



Geometry is a basic math used in solving problems pertaining to figures of all shapes and sizes.



Trigonometry is an advanced math used in navigation, engineering, and architecture.



MATHEMATICS

Algebra II encompasses the fundamentals that will later be used in trigonometry, solid geometry, and calculus.

Shop math students obtain knowledge of how to apply elementary mathematics to practical problems of everyday industry.

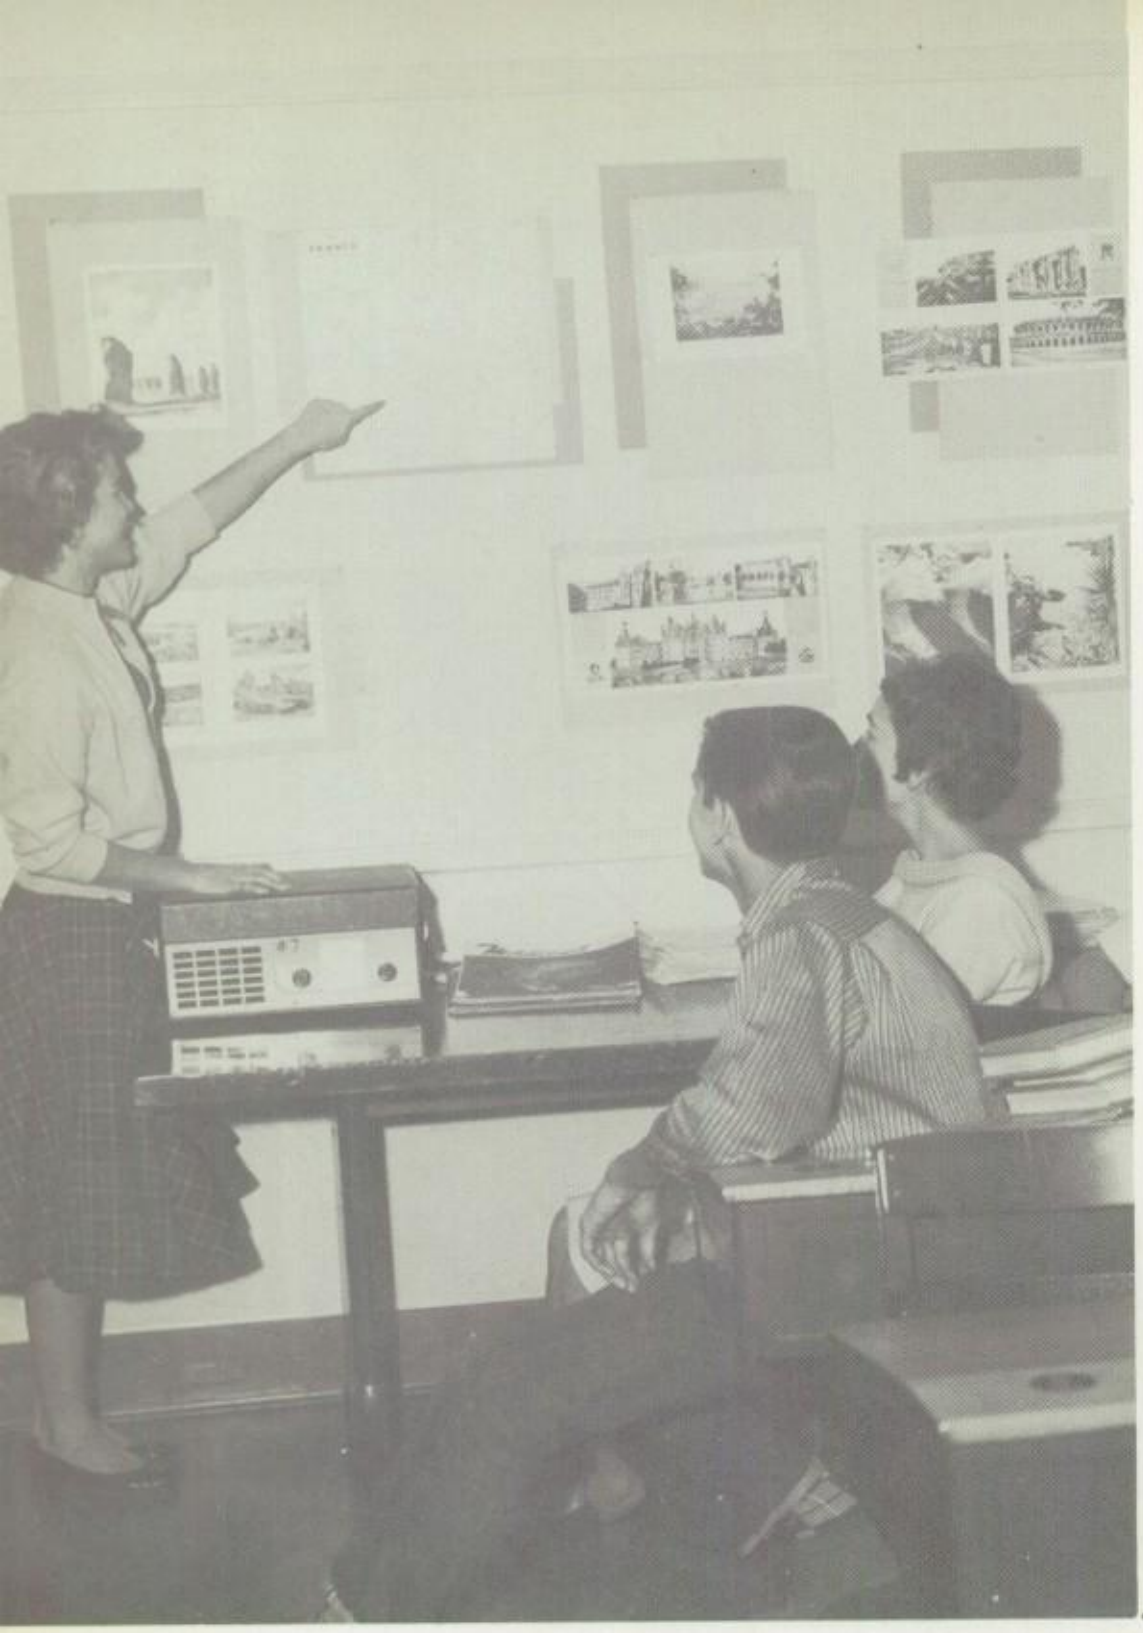
Myron Lieberman is testing the conservation of momentum and energy with a collision apparatus in physics class.

Biologists Linda Esse and Terri Thompson take turns looking at cell specimens, drawing what they see.

Joe Butita, Buddy Newton and Mike Kaplan are experimenting with mono-clinic sulphur (needle-like crystals) in their chemistry class.

Judy Spinoso is using a geiger counter in Life Science II to test for the presence of radio activity.

SCIENCE



LANGUAGES

Learning the language and the geography of France are some enjoyable tasks of the French class.

Students studying Latin learn of an ancient and beautiful language that is functional to modern professions.

In the Spanish classes the students become familiar with the customs and habits of the Spanish speaking people as well as the language.

These advanced modern dancers are: Joan Penniman, Joan Mokracek, Dorothy Bethoon, Lynne Kenworthy, Sharon Moore, Marian Pagel, Linda Seigel, Brenda Mahakian, Judy Witcher, Carole Scott, Diane Scheire, Sharon Sharpe, Deanna Erickson, Lynda Wilson, Sue Pam Sargent, Jackie Smith, Carolyn Fitzpatrick, Carolyn Potts, Sharon Lawton, Vera La Ruffa, Sharron Swetnam, Joan Freeman, Virginia Rossow, Sue Redford, Sandy Lindstrom, Judi Weiler, Larraine Brown, Pat Reed, Annette Hunter, Joan Woillard, Donna Kennedy, Carole Laws, Sherrie Weinzveg, Andrea Gillette, Ruthann Kline, Jackie Wilson.

MODERN DANCE

The modern dance classes at Buroughs are under the direction of Miss Wojtyla. She leads the girls through basic movements, steps, and routines.

While performing in the classes each day, the girls look forward to the big dance performance of the year, for which they create and perform their own routines. Della Redden, Judy Witcher, and Andrea Gillette rehearse.

In the more advanced classes, creativity is stressed and girls become acquainted with more difficult movements. Lynne Kenworthy, Kathy Lily, Joan Woillard, and Winona Cook practice their oriental dance for the annual dance performance.

A Cappella Choir members sang their way into the respect and admiration of the school and the community through their appearances at assemblies, special programs, festivals, and community service clubs.

CHOIRS

In the freehand drawing class students receive training in the sketching of people, objects, and scenes.

The commercial art class gives the student a vast knowledge and experience of all the aspects of commercial advertising.

The beginning freehand drawing class is an introductory course which teaches techniques for sketching.

RT

The art structure class is an introductory course as to the use and care of art materials.

The interior design class is taught all the basic fundamentals of interior decorating techniques of drafting, and putting their house plans to work.

CERAMICS
JEWELRY
CRAFTS

Students of the ceramics class learn the fundamentals of designing and making pottery.

The jewelery class makes various articles such as rings and bracelets from stones cut and polished by the students.

In the crafts class the students work with leather, textiles, jewelry and some of the other popular materials.

AKELA

For two semesters Judi Eaton has held the position of Editor-in-Chief on the Akela staff. Judi feels that organization is the key to a good yearbook.

Members of the Akela class display their artistic and industrial talents in the yearbook. This year the members were Jo-Ann Chapton, Dennis Kuhr, Gurdon Wickham, Judi Eaton, Loren Stirling, Linda Corwin, Fru Elliott, Mary Kaye Deschamps, Drew Bedwell, Janet Eaton, Myron Lieberman, and Dorothy Alexander.

Mrs. Helen Manezon has been our Akela advisor for two years. We extend our thanks to a fine teacher and good friend.

Students interested in photography have a chance to illustrate their talents in photography classes. The students gain experience by taking pictures of various parts of the school for the yearbook.

Members of the Smoke Signal staff are, (seated) Merrilee West, Sheron Rehwald, (standing) Nan Schleifman, Marlene Hartley, Linda Turk, Bob Nostri, Dave Hemphill, Jerry Patch.

SMOKE SIGNAL

The Smoke Signal's able advisor, Leonard Fass, checks copy for a forthcoming issue.

Benevolent despot of the Smoke Signal Bob Nostri flashes one of his frequent smiles.

Watching Howard LaPittus make ready to click the shutter are other members of the Photo Department, Larry Swafford, Vic DiMambro, Chuck Holdt, Darlene Graham, Jeff Goldwater, and Dave Hemphill.

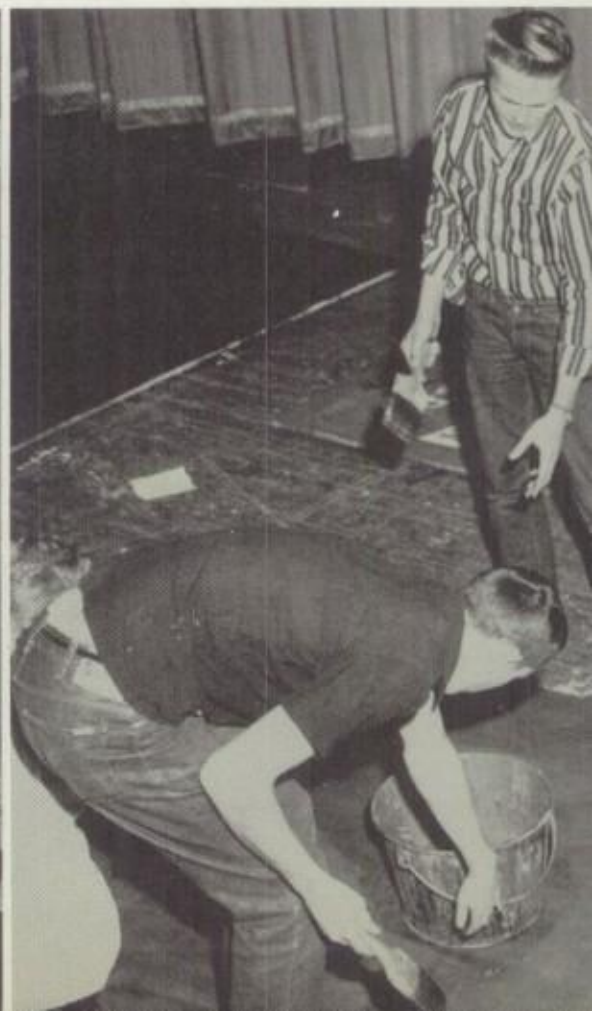
The picture to the left shows drama students, David Bell, Babs Allman, Rossie Bellah, Melodie Davis, Elaine Smith, and Cathy Young, watching a scene portrayed by fellow thespians. The picture below shows members of the play production class, who are advanced drama students. They study different phases of the stage, including the art of make-up, which is being demonstrated by Rossie Bellah, Louie Sheperd, Melodie Davis, and Pat McAllister.

Heading drama and stagecraft is Mr. Browning. Under his watchful supervision players and sets have successfully come to life.

DRAMA

Student players, Warren Weber and Kitty Rose are shown portraying a skit in a drama class.

The students of the stagecraft class are in charge of construction of all scenery, the operating of lights, and the operation of all the backstage facilities. Tom Lindgren and Warren Weber are busy designing scenery for one of the plays.



The Orchestra performed at the Christmas assembly, assemblies at all secondary schools in Burbank, Festival at Inglewood, and the Operetta. Members are: L. Bair, S. Crawford, B. Darnell, B. David, E. Ellis, N. Ely, C. Glaus, R. Keehn, F. Marshall, D. McKeel, H. Netzley, P. Parks, M. Recchia, D. Ricotta, E. Rudberg, K. Rull, C. Schifferle, B. Stott, B. Swarthout, J. Vasapolie, J. Weed, C. Wolf, S. EDUCATION

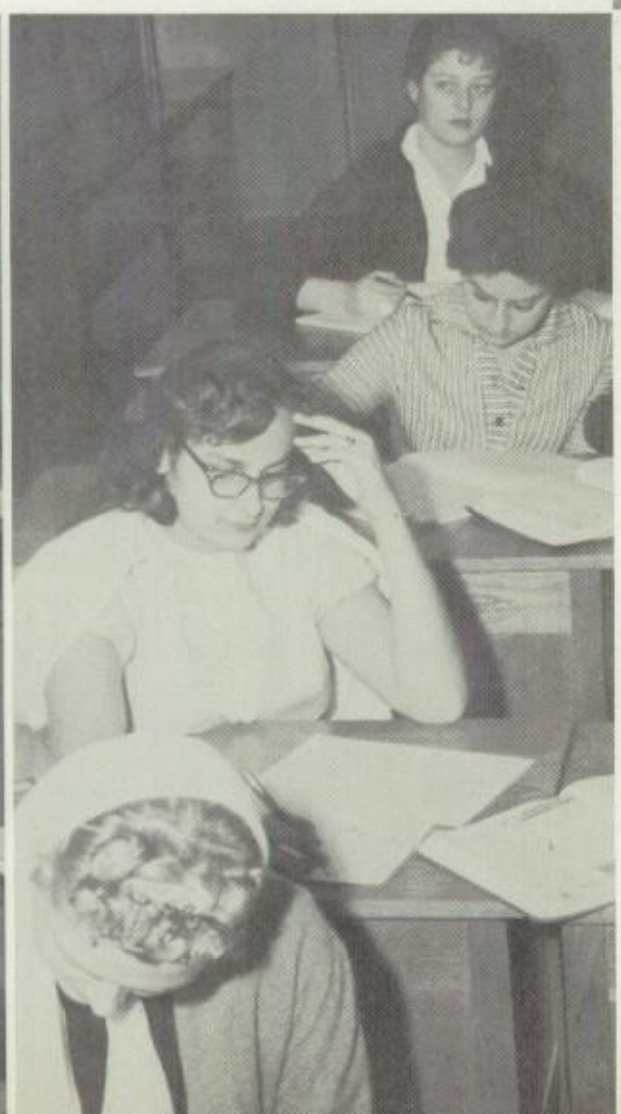
The typing classes teach the students typing techniques which are valuable for college and secretarial students.

The students in the clerical office class gain very valuable experience serving as the helpers of the secretarial staff in the main office.

The Bookkeeping class is designed to instruct the students in the complicated systems of bookkeeping and other techniques of office work.

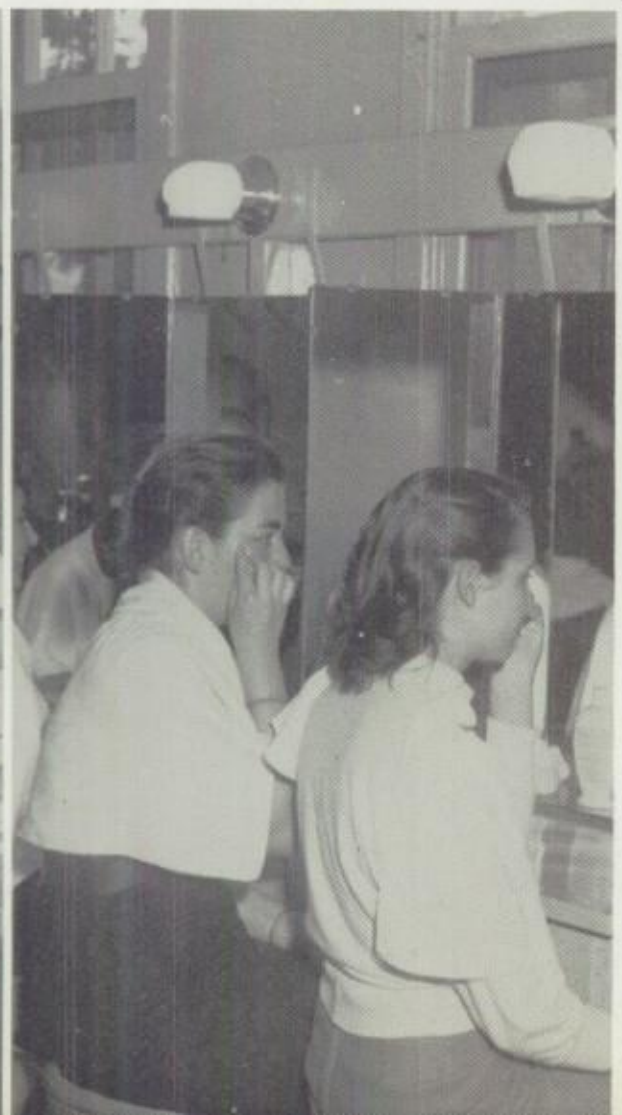


BUSINESS

Boys and girls alike gain valuable cooking experience in foods classes.

HOME ECONOMICS

Clothing class gives students the chance to design and create their own fashions.



Students taking personal grooming are aided in developing their standards of health and hygiene.

The students of the auto service class have the opportunity to use their skills on their own cars.

In the auto mechanics class the students learn about the workings of engines, transmissions, and the art of diagnosing trouble.

INDUSTRIAL EDUCATION

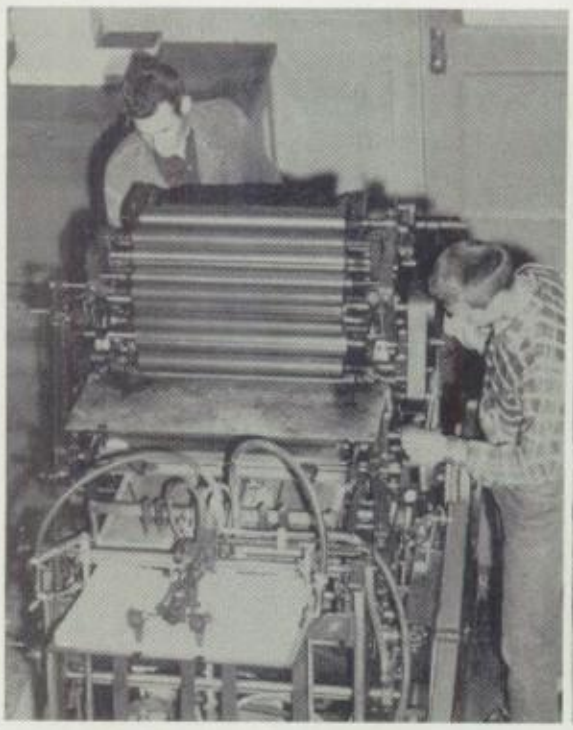
The auto shop class gives the students a chance to learn more about cars by actually working on them.

Wood shop is designed to give students an opportunity to learn fundamentals of carpentry and woodworking.

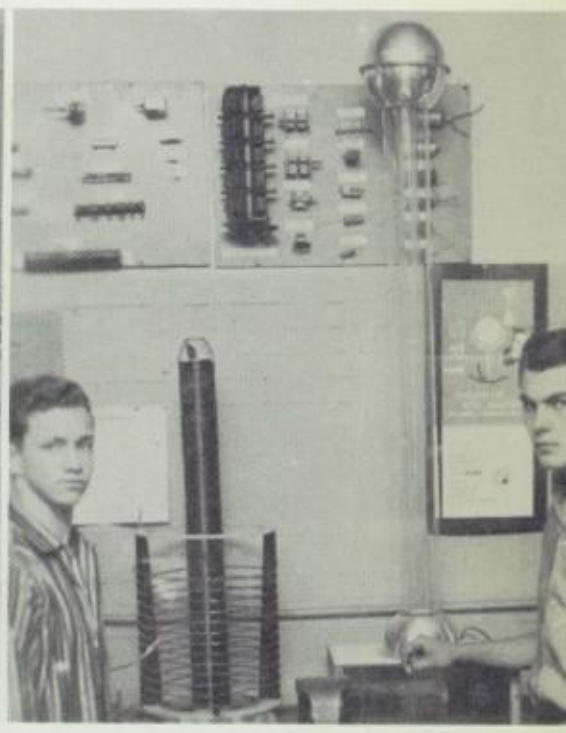
The students of the mechanical drawing class learn how to work out machine designs.

The architectural drafting class allows students to work on designs for their own homes.

Students of the radio class learn about the parts and workings of a radio.



Opportunity is given to the students of offset printing class to become acquainted with fundamentals of vocational printing.

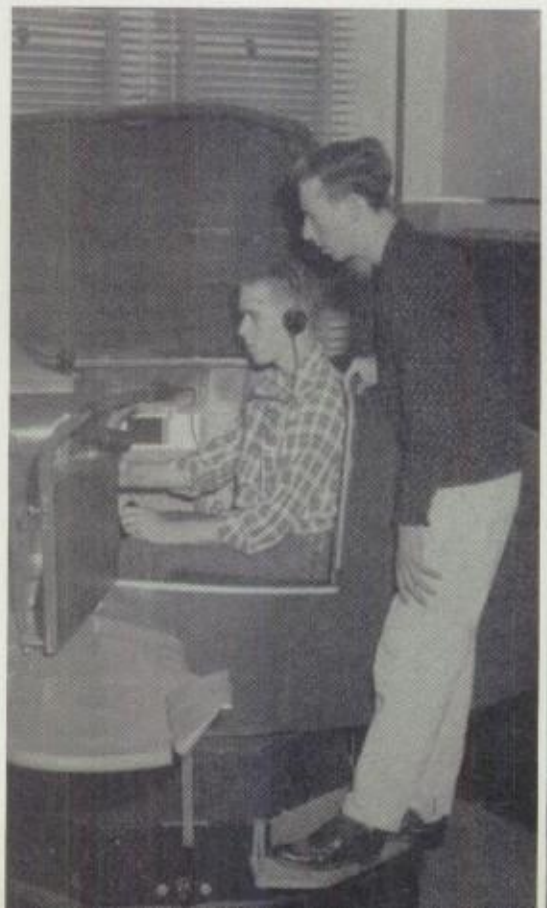


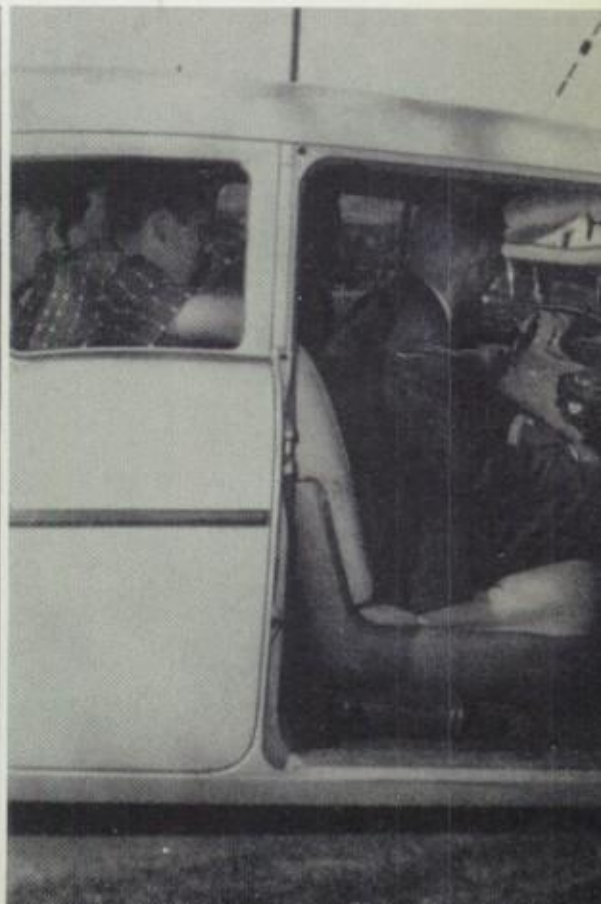
Fundamentals of electricity and its various uses are taught in the electrics classes.

Operation of power equipment and proper shop procedures art taught to the students of the metal shop classes.

The main objective of the driver training classes is to give the students driving experience.

Aeronautics class is devoted to acquainting the students with the workings of the airplane and the history of flight.





Scientists believe that cosmic rays are not solely the result of either creation or annihilation. They are considered a kind of cosmic pulse beat, as matter changes itself into energy in the distant spaces of the universe, and as energy turns back to matter. Cosmic rays are really powerful, rhythmic particles. A heavenly body system containing cosmic rays, which always occur in the presence of a radiating star, is known as a cosmic squad. The ties between these bodies, while abstract, are stronger than any tangible bonds.

COSMIC SQUADS

In our PE classes at JB, we attempt to train our bodies to respond to the demands of co-ordination and teamwork, vital to life as we will live it. Through extra time and effort, we try to promote our ideals of sportsmanship. The resulting effect will bind us closer together. We participate in sports for enjoyment, understanding, and skill.

VARSITY FOOTBALL

With a tremendous cheer and the utmost of joy, our great team ran off the Burroughs' gridiron after finishing the football season with a 26-to-19 victory over the Burbank Bulldogs, a game that truly would warm the hearts of all our Alumni.

Hard luck was our teammate for the first of the season with the loss of valuable players to injury and to the sudden outbreak of flu we encountered in the early stages of the league games. This caused, after the exciting games of Notre Dame and Culver City, a slump of five hard fought losses which to most teams would have killed their desire and spirit. Not so with our "big team", in the Hoover game they started rolling with a spirit which carried on to their overyhelming victory.

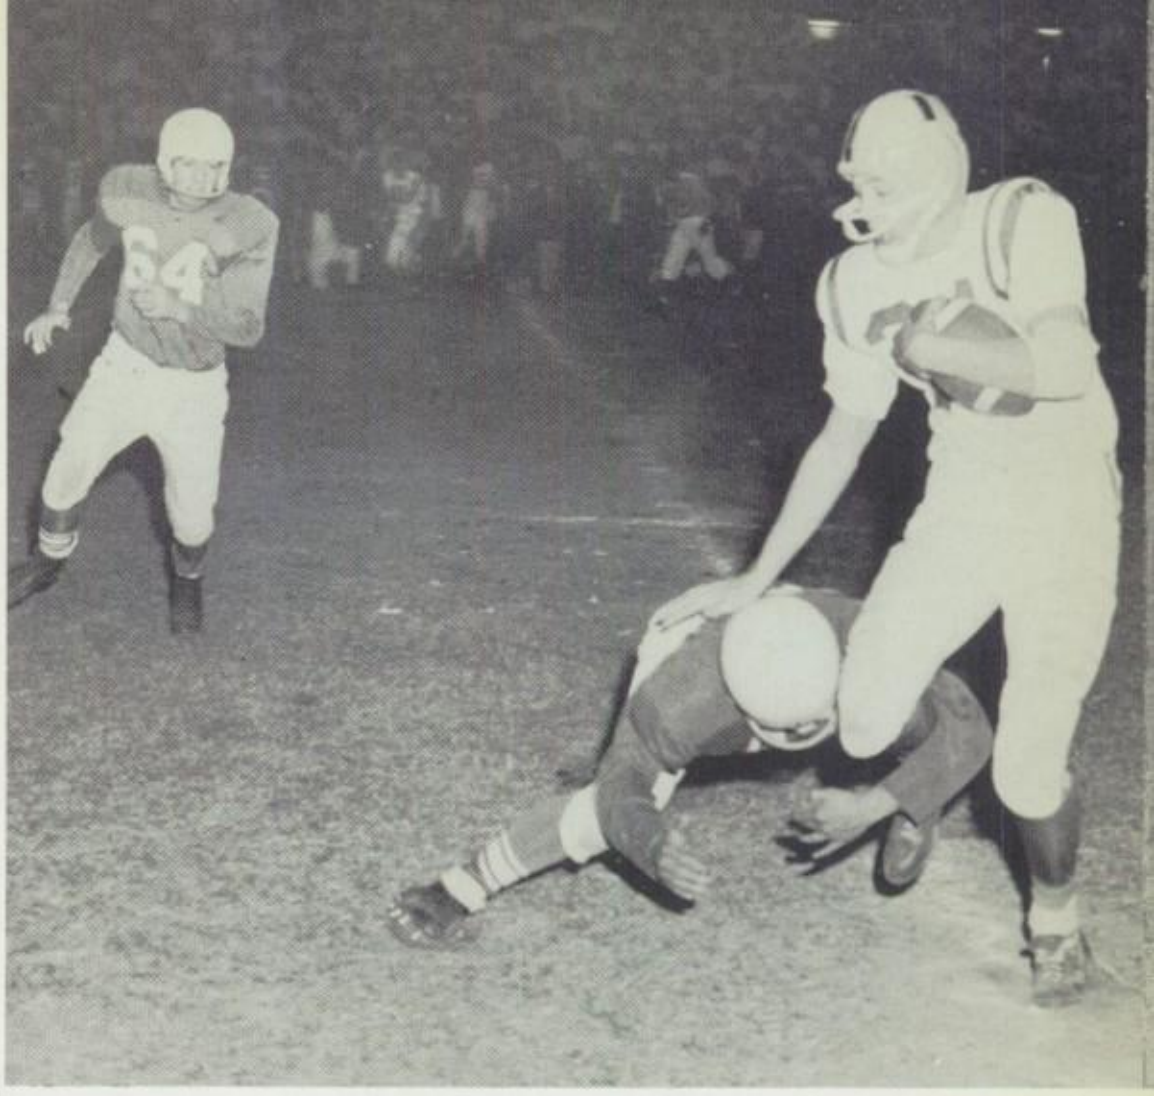
This fire, and courage fed desire led our boys into the finest game of the season . . . the crushing defeat of Burbank.

A successful year, topped by the defeat of Burbank, was due to the fine guidance and patience shown by our great coaches, Leon Shortenhaus and Jack Drager.

Bottom row: Ron Kurtz, Ken Provasi, Fred Morse, Larry Stilley, Bill Wallace, Frank Johnston, Dennis Kuhr, Harold Sturim, Tom Kalich. Second row: Coach Shortenhaus, Harold Horney, John Bartley, Tom Boysen, Phil Ellison, Chuck Campbell, Ron Morris, Dale Konrad, Tom Tintorri, Bill Lockard. Third row: Dave Arant, Steve Taylor, Gurdon Wickham, Loren Stirling, Dave Banta, Larry Everett, Mike Evans, Harvey Allen, Perry Manskar, Harold Pessin (mgr.). Fourth row: Walt McConnell (mgr.), Jim Thrasher, Dave Carlson, Bob Handloser, Bob Sychta, Dave Gutowski, Chuck Picknell, Gary Troyer, Coach Drager.

Ron Morris is fighting to keep balance after a fine run.

Tom Boysen, first semester student body president, attempts to break away from a Burbank player. Many needed gains were led by Tom.



Ken Provasi breaks into the open for a long gain. He consistently made spectacular runs. This was his first year at varsity play.

Bob Handloser, Burroughs' leading ground gainer, shows the determination, which drove him on to many touchdowns in our games, while Wallace scores a good block.

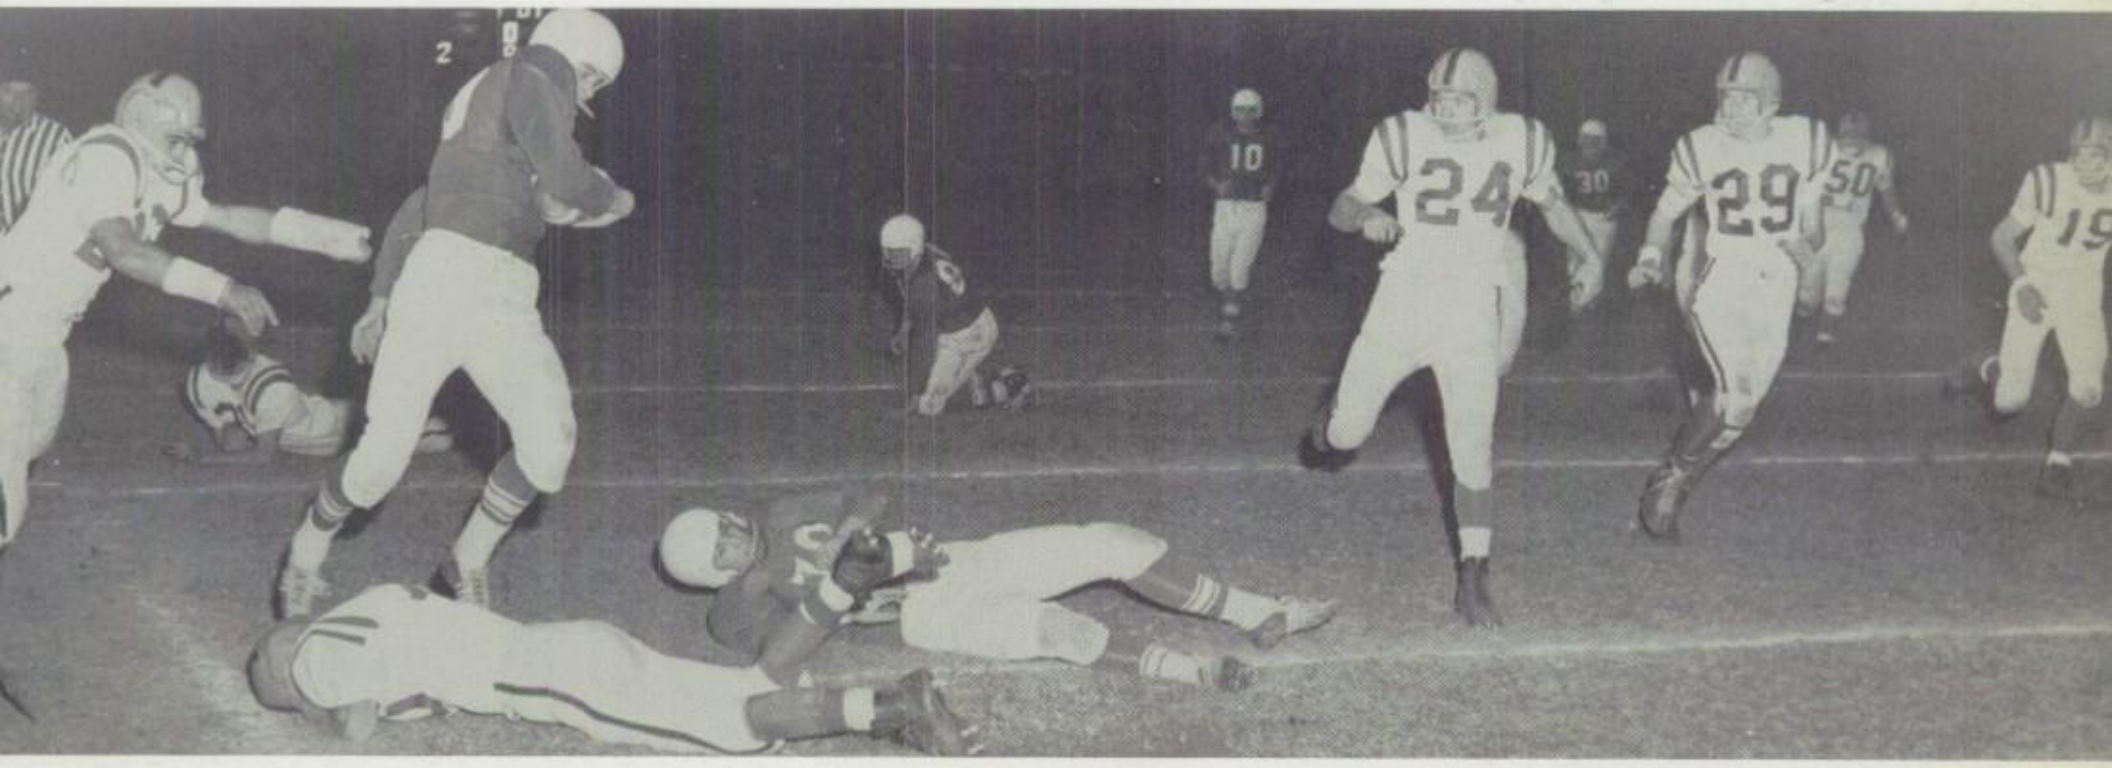
Fast Footwork led Ken Provasi to long runs.

Bob Handloser scores another touchdown in the exciting Muir game.

Our "mud-scramble" game against Van Nuys ended in a close loss of 7 to 6.

Perry Manskar completes a scoring run after receiving a well-directed pass.

60 minutes of action



Gary Troyer (hooks and all) seems to be running in off the bench when the attempts to tackle the Burbank runner seem to have failed. If Gary misses, Bob Handloser, Bill Lockard or Loren Stirling will stop him.

It looks as though the Burbank ball players got the worst of this scuffle. Our boys stood over them as if waiting to resist any rising action.

Rising Action

Bob Handloser fights his way over one Burbank player, but looks as though he is going to be stopped by another.

Ken Provasi searches for an opening to avoid the Glendale Hoover ball handlers. It looks hopeless, but he ran for a TD.

Bill Wallace, Ken Provasi, and Mike Evans close in on a Culver City ball carrier.

It didn't take too many Hoover players to get Dennis Kuhr down. He averaged five yards per carry during the season this year.

JUNIOR VARSITY FOOTBALL

Our representatives for our future football team are our present Junior Varsity boys. With their experience this year and the guidance by their coach, they will lead us into many victories in coming years.

These tough "ball pushers" showed fine sportsmanship this year, which lacks in so many other teams. Their drive led them to the defeat of the Hoover tornadoes, an old enemy of Burroughs.

Junior Varsity coach, Jim Eacutt, who came to Burroughs from Redlands, proved himself a capable asset to the school and the ball players under him. Coach Eacutt played pro ball before he came to Burroughs. His experience helped the team greatly this year.

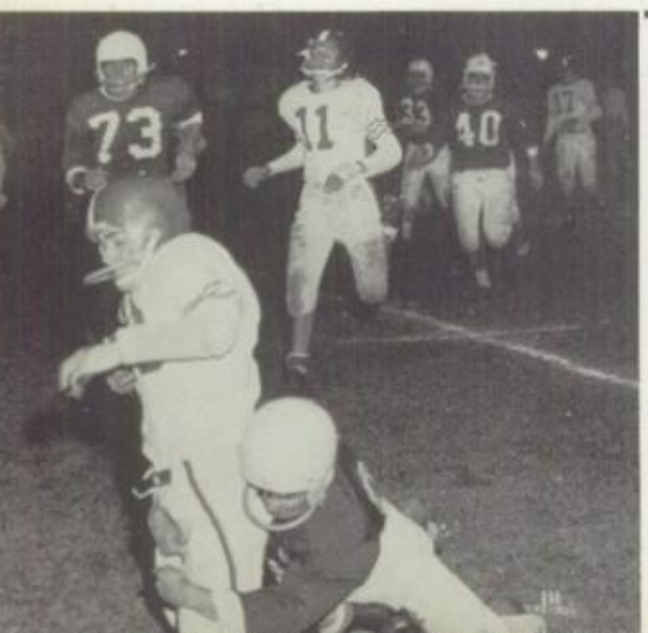
BEE FOOTBALL

The Bees completed a successful season this year by scoring 6 wins, 1 tie, and 2 losses, the second of which was due to the flu, which crippled us severely. Disgusted over our loss to Glendale and Muir, the Braves came from behind to defeat Pasadena in an exciting 7 to 6 game. They then tied Hoover, the undefeated league champions, 6 to 6, and shut the Burbank Bullpups out 7 to nothing. Hard work and excellent guidance led the B team to their fine showing this year. Despite the loss of Senior players, they hope to do as well if not better next year.

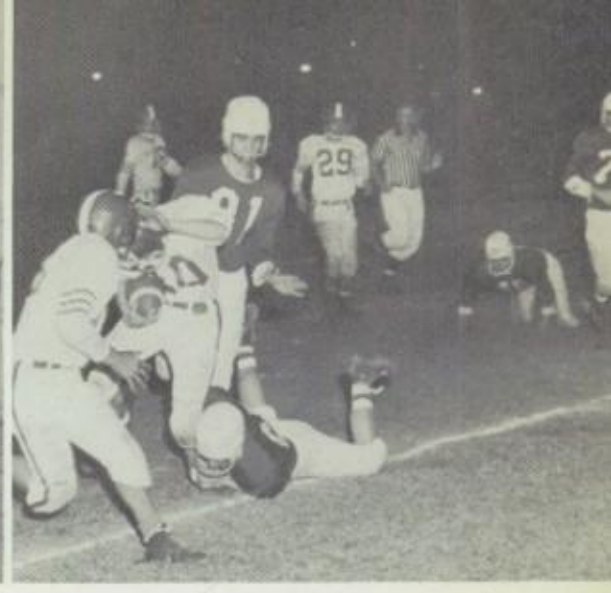
Running his team with a firm but benevolent hand, Ralph Brandt continues to come up with winning seasons. We owe a debt of gratitude to a great coach and, as his boys say, "a good guy."



After gaining needed yards on a reverse, Steve McKenzie is stopped by a Burbank Bullpup.

Al Vacio, a junior sprinter, proved to be the fastest back we had this year. He scored many of the total points we gained this season.

Three teammates were chosen this season for special awards. Bob Glover and Ted Lang were voted the outstanding linemen, Al Vacio was named the most outstanding back, and Gary Hinckley proved himself as the most inspirational player on the Bee team.



Skip Parker, the most experienced back we had this year, struggles for the needed yards in the Burbank game.

The large part of the first and second strings on our Bee team was made up of the senior members. Their age and experience helped the team enormously. Top row: Lon Golnick, Gary Hinckley, Bob Glover, Ken Griffin, Gary Nelson. Bottom row: Larry Bowne, Ken Davis, Ron Austin, Dyke Parker, and Drew Bedwell.

The Van Nuys game, which was played on our water soaked field due to an early rain resulted in the overwhelming victory of our great Braves.

Drew Bedwell, senior member of the Bee team, scores with a tackle to stop a Burbank player's advance.

Steve McKenzie is finally stopped by the Burbank tacklers after a large gain. Lon Golnick threatens with a block while Skip Parker makes a vain attempt to help Steve.

The Hoover game was the finest, hardest fought game our brave Bees played. Skip Parker is aced out of recovering a fumble by a rather determined Hoover man.

VARSITY BASKETBALL

This year's Varsity Basketball team, under the guidance of Mr. Flora, finished third in the league. Although we had an opportunity to win the championship, it eluded us in a couple of upset losses. George Casprowitz, Bill Wallace and Tom Boysen were all returning starters from last year. The fourth position was filled by Pete Hillman, the league's leading scorer, while the fifth spot was filled alternately by Greg Foster, Chuck Johnson and Ron Spencer.

The Foothill League results were more well-rounded this year, with four teams having a chance at the title at one time or another. In posting a 5-5 record, the Indians showed great team spirit and drive, losing by close margins and winning by larger ones.

Mr. Flora, coach and teacher, proved as he has in the past that he knows how to run a winning team.

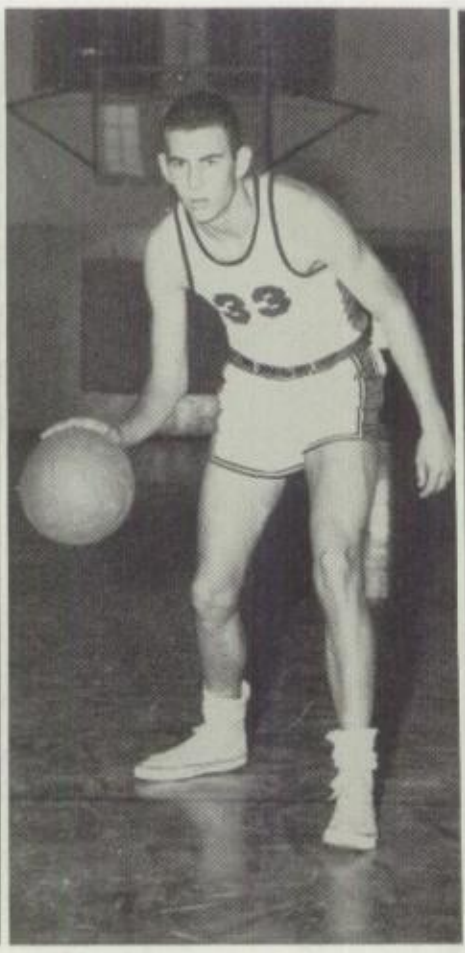
Tom Boysen rushes into the basket for needed points.

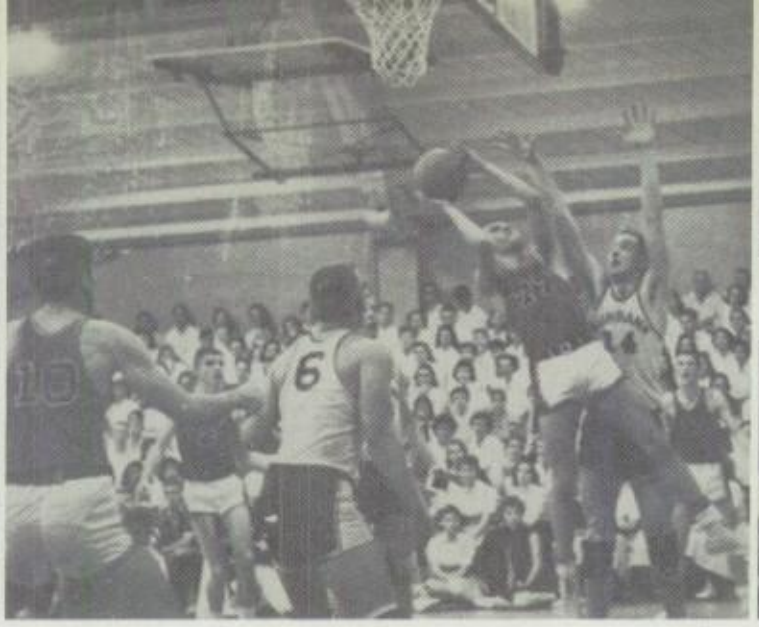
VARSITY BASKETBALL

Boysen shoots up again.



The first five boys on our team this year were comprised of seniors, except for junior Pete Hillman. Left to right: Bill Wallace, Tom Boysen, Pete Hillman, Greg Foster, and George Casprowitz.

Ron Morris jumps up against a Burbank cager to attempt a score.

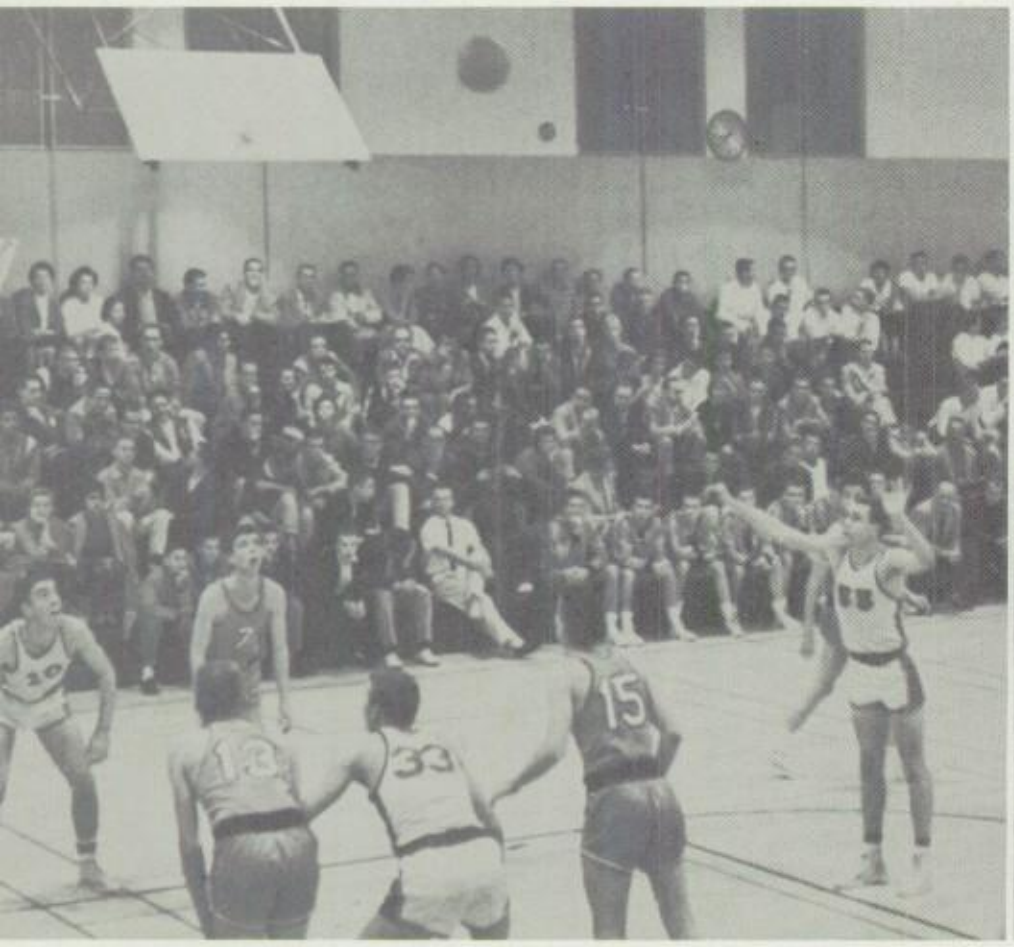


With fast foot work, Chuck Johnson goes up for a shot.

Taking advantage of a clear path, Greg Foster goes in for a basket.

CAGERS IN ACTION

Bill Wallace shoots for extra points.



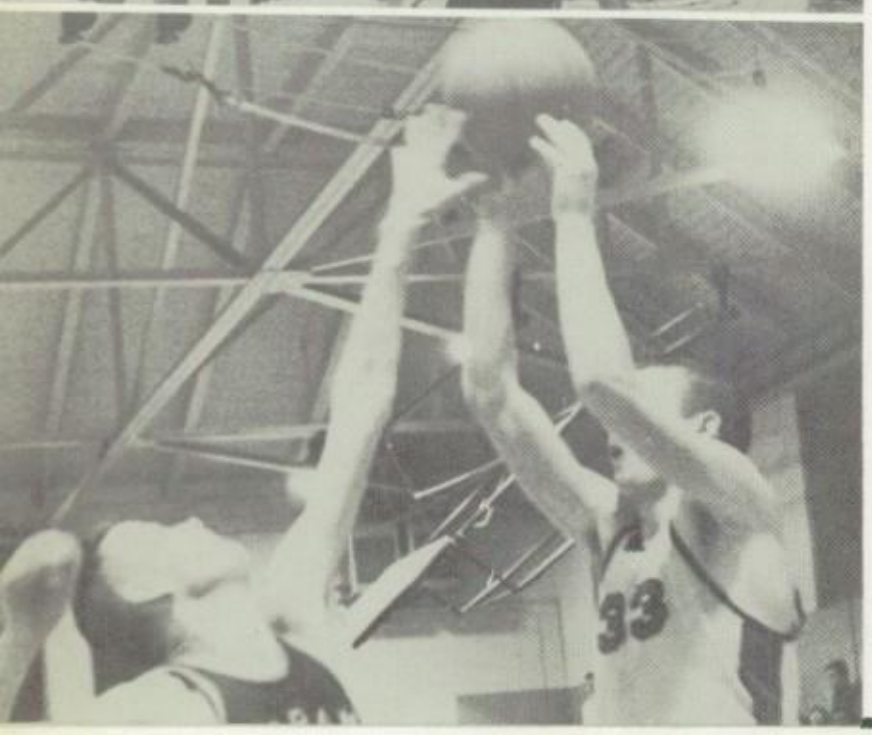
Senior Greg Foster leaps to place the ball through the hoop.

These shots prove that our varsity basketball players displayed top form all season.

Charley Johnson shoots up for two points.

VARSITY TEAMWORK

Tom Boysen stretches for the ball as we trail Notre Dame 30-23.



Pete Hillman, top point man, jumps to put the ball through the hoop.

Tom Boysen trys a long shot in the Burbank game.

BEE BASKETBALL

At the outset of this year's Basketball season, the Burroughs Bee Team was not only picked for the cellar, but they weren't figured to win a game. But, they didn't follow this form, as their fine 14-9 record shows. They defeated every Foothill League Team at least once, with the exception of Hoover, the champion. Along with this they finished high in the Foothill Bee Tourney. In the tournament Bob Sprowls and Mike Hirsch were chosen on the All-Tournament Team. Sprowls was the sparkplug and leading scorer of this year's team. At the Basketball Banquet, Sprowls was selected captain and the team's most valuable player and was, possibly, one of the best players in the league. Jim Perske, Jerry Patch, Denny Kennen, and Bob Canfield rounded out the first team. This front line was backed up by two fine subs, Rodger Oswald and Steve Werner. Even though this team lacked the necessary height and experience, their spirit and determination made up for it. With their fine showing in league play, and their very high 49 point average, this year's Bee Team did themselves proud.

Mr. Thomas, as our Bee coach, displayed his fine judgment to the advantage of the school and boys under him.

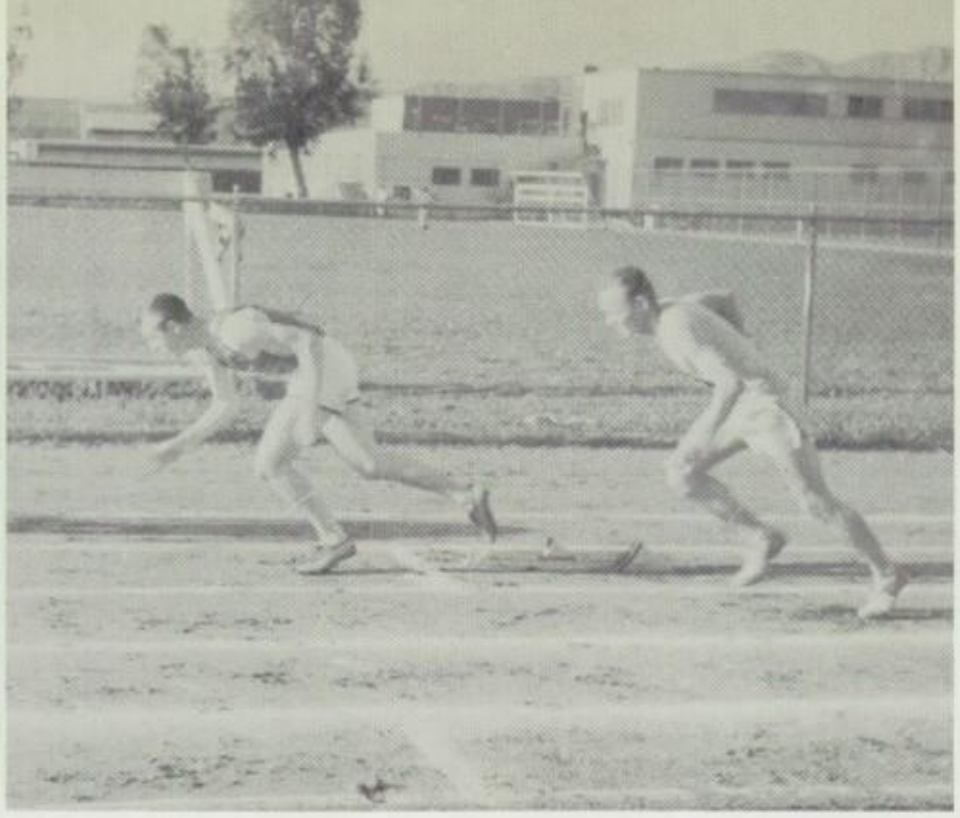
VARSITY TRACK

Our distance crew, sprinters, and field event competitors, under the instruction and leadership of Coach George Boone, showed great improvement this year. Their desire was only excelled by their hard training and unfaultering teamwork. This team deserves tremendous credit.

Our team's success could not have been possible without the help of Ralph Brandt, assistant coach, and George Boone, head coach and one-time track star; they are a great pair.

BOTTOM ROW, left to right: Bill Benkovsky, Ron Morris, Pete Lubisich, Craig Ross, John Bartley, Steve Barnett, Harvey Allen, Bob Handloser, Frank Johnston, Ray Brown and Tom Holley. TOP ROW, left to right: Chick Mokracek, Dave Banta, Angelo Arroyo, Gerald McCarty, Tom Anderson, Fred Morse, Parker Freeland, Bill Burkitt, Harry Kinsfather, Mike Evans, Craig Kelly, Bill Hilberg, Greg Foster, Dick Lee, Joe Gero, Bill Lockard, Phil Ellison, Dick Vaughn, Jules Silver, Hannes Friedrich, Darcey Staggs.

Ron Morris stretches for winning inches.



Chick Mokracek, outstanding sophomore runner, finishes first in the 880 and breaks the school record. John Bartley is off to a good start on the Varsity 220. He was one of our Varsity's ace runners. Bill Hilberg, JB's most outstanding distance runner, heads for the new mile record.

Bob Handloser goes over the bar for a winning place in the pole vault event.

Dick Lee, junior sprinter, finishes the Varsity 100 under 10 seconds.

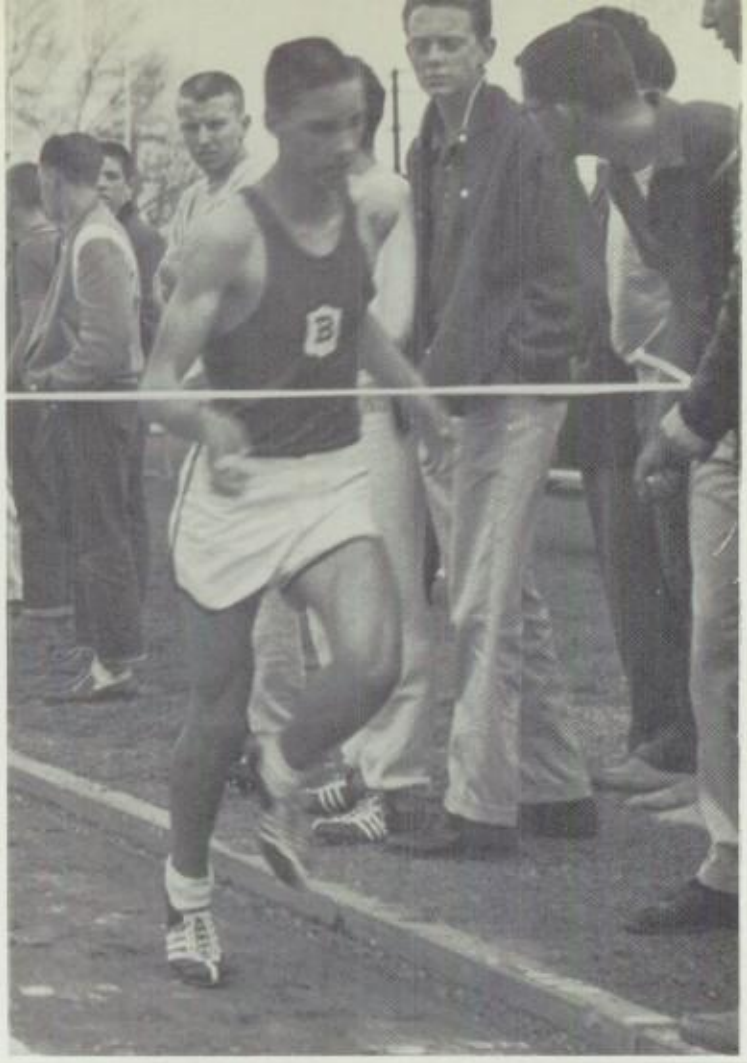
BEE TRACK

Speed and coordination forwarded our Bee team to its victories. Teamwork and strict training plus excellent guidance by their coaches also gave them that extra push for success.

Joe Watters wins the Bee 1320.

Monte Osborne goes over the bar.

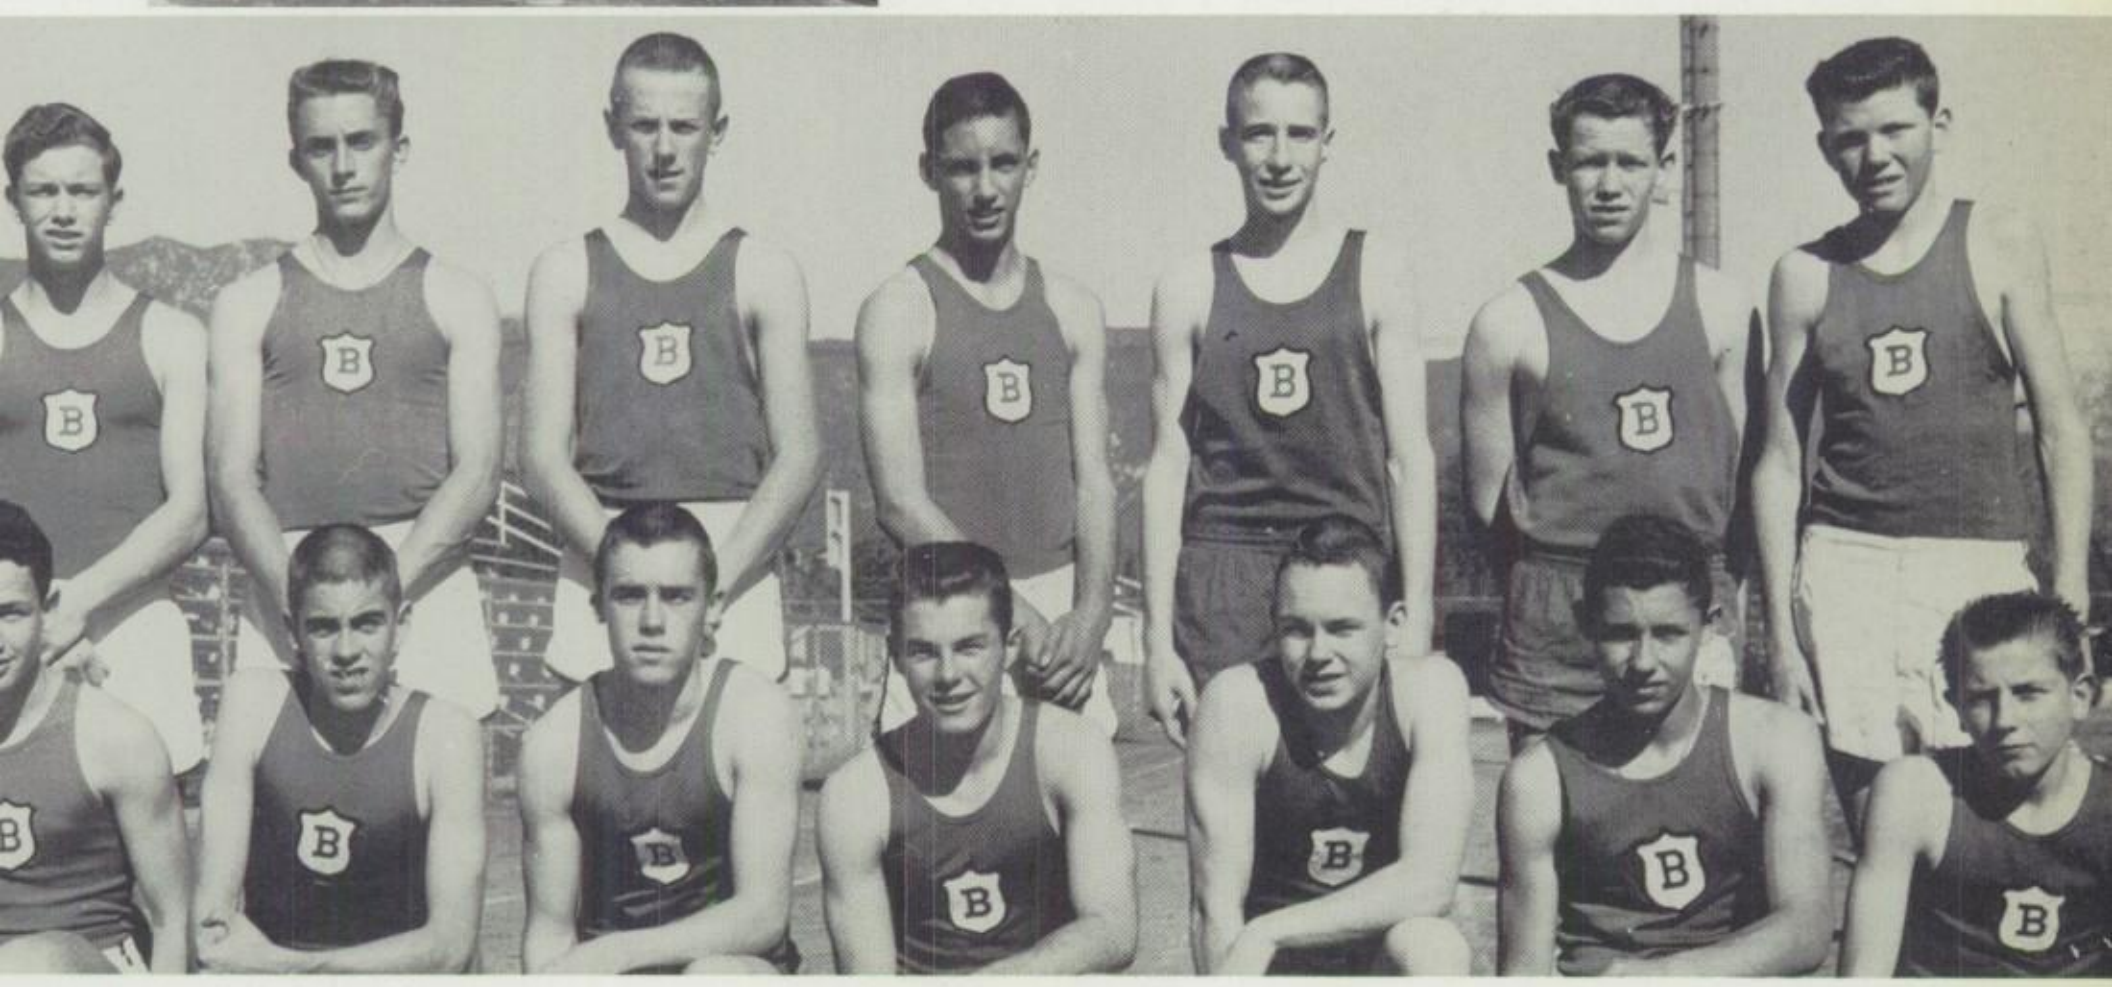


CEE TRACK

Experienced members and new blood alike, combined to make JB's Cee team one of the best in the league this season. Their percentage of wins far greater than that of their losses. Congratulations to a fine team.

Doug Boehme finishes the Cee 660 with a win and a new record.

TOP ROW, left to right: Gary Bacon, Tyce Fitzmorris, John Bates, Doug Boehme, Bob Mattis, Denny Bomar, Don Schutt, Clyde Anderson, Webb Ford, Steve McKenzie, Parker Freeland, Jim Lindstrom, Cal Roberts, John Calkins.



Sprinter Parker Freeland wins another Cee 100-yard dash.

TOP ROW, left to right: Bob Mattis, Darcy Staggs, Fred Comes, Fred Newberry, Niles Sundstrom, Bill Hilberg, Victor Staggs. BOTTOM ROW: Craig Ross, Kraig Kelly, Ed Rudberg, Doug Bohme, Chick Mokracek, Cal Roberts, Jim Lindstrom.

Coach George Boone, with first hand experience, led and conditioned our team this year. We are grateful that we have such a capable coach.

Bill Hilberg, our school's ace distance runner, shows his fine running form which won him many records this year. He is also captain of the squad.

CROSS COUNTRY

This year Burroughs had one of the better Cross Country teams. Coach George Boone's squad, led by unbeaten senior Bill Hilberg, finished the season with a 4-1 record — good enough for a tie for first place in the Foothill League.

Joe Watters' hard work paid off this year. He scored many of the winning points needed for the team's success.

We beat Hoover soundly. Here, Arland Title races against a Hoover tornado.

VARSITY BASEBALL

At the time the Akela went to press, the Burroughs baseball squad, under the fine coaching of Mr. Polster, looked very impressive in their league standing. Over half of the team was composed of returning lettermen which meant that they had the necessary experience to put them in contention for a good standing. The team was very enthusiastic.

In practice, our ballplayers experienced the same conditions that they did in real games.

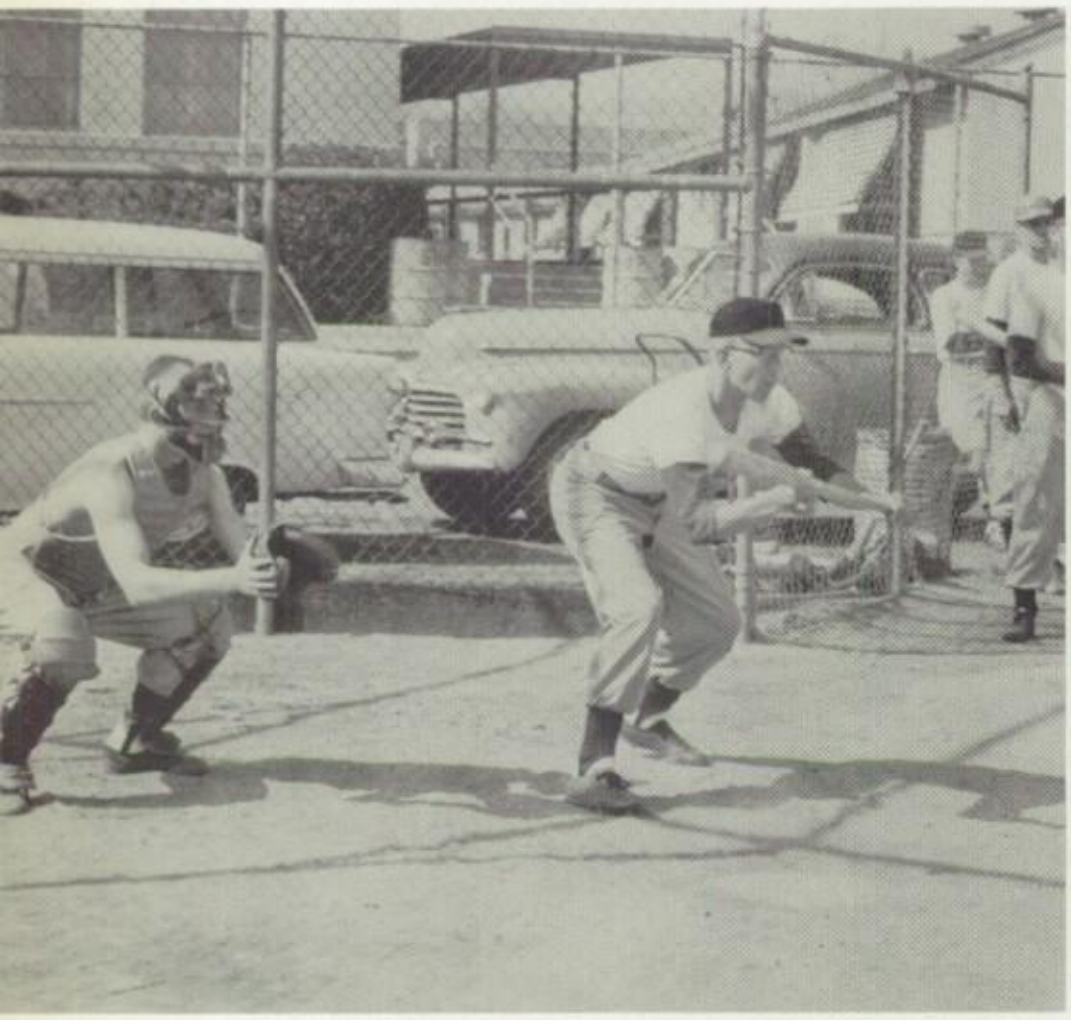
FIRST ROW, left to right: Roger Anderson, Ken Davis, Steve Taylor, Lon Golnick, John Miles, Doug Myers, Dave Gutowski, Buddy Myers, Harold Pessin, Mike White. SECOND ROW: Reg Weaver, Chuck Johnson, Ron Spencer, George Casprowitz, Pete Hillman, Tom Boysen, Jerry Libman, Bob Sychta.

Coach Polster puzzles over his new pitching machine. His many years of coaching experience strengthens the chances of our team success in the league.

Ken Davis braces himself to back up a bunt.

Ron Spencer races for first base.

Lon Golnick attempts a bunt.



Pete Hillman goes in for the ball as Chuck Johnson tried for home.

ACTION ON THE DIAMOND

JUNIOR VARSITY BASEBALL

Our Junior Varsity team was successful this year due to hard work along with the good spirit of the members and their coach, Mr. Flora.

Mr. Flora, despite his sober look in this picture, is a good-natured person as well as an outstanding coach.

FIRST ROW, left to right: Garry Robak, Mike Hirsch, Marty Freemand, Bob O'Neil, Dan Fahey, Tom Tintorri, Bob Horgan, Bill Coleman. SECOND ROW: Dick Lewis, Chuck Filbert, Jay Del Dotto, Tom Bronson, Bob Antenucci, Larry Everett, Jerry Naasz.

BOTTOM ROW, left to right: Jerry Haddock, Drew Bedwell, Brian Smith, Gary Hinckley, Ken Provasi, Denny Keenan, Andy Cooper, Jim Martin, Jules Gruen. SECOND ROW: Haady Forbes, Don Nance, Barry Deats, Brad Muck, Dale Konrad, Dave Seldon, Arlan Title, Ken Griffin, Dennis Kuhr, Dave Arant. TOP ROW: Dave Ziskin, Steve Brewer, Dave Toburen, Dick Morris, Bruce Barnes, Jamie Korb, Wally Glassett, Bob Nichols, Tom Walters, Bill Fraser, Gary Troyer, Chuck Picknell, Mike Surwill, Bob Zeich, Garry Gossard.

SWIMMING TEAM

This year's team experienced its greatest season with the introduction of their new coach, Mr. Dowd. Our team has been building up in the last few years and rose this year to defeat Hoover, the league champion, by a close margin of two points. The cooperative spirit of the members of the team made our team superior not only in skill, but citizenship, which is so essential to proper functioning.

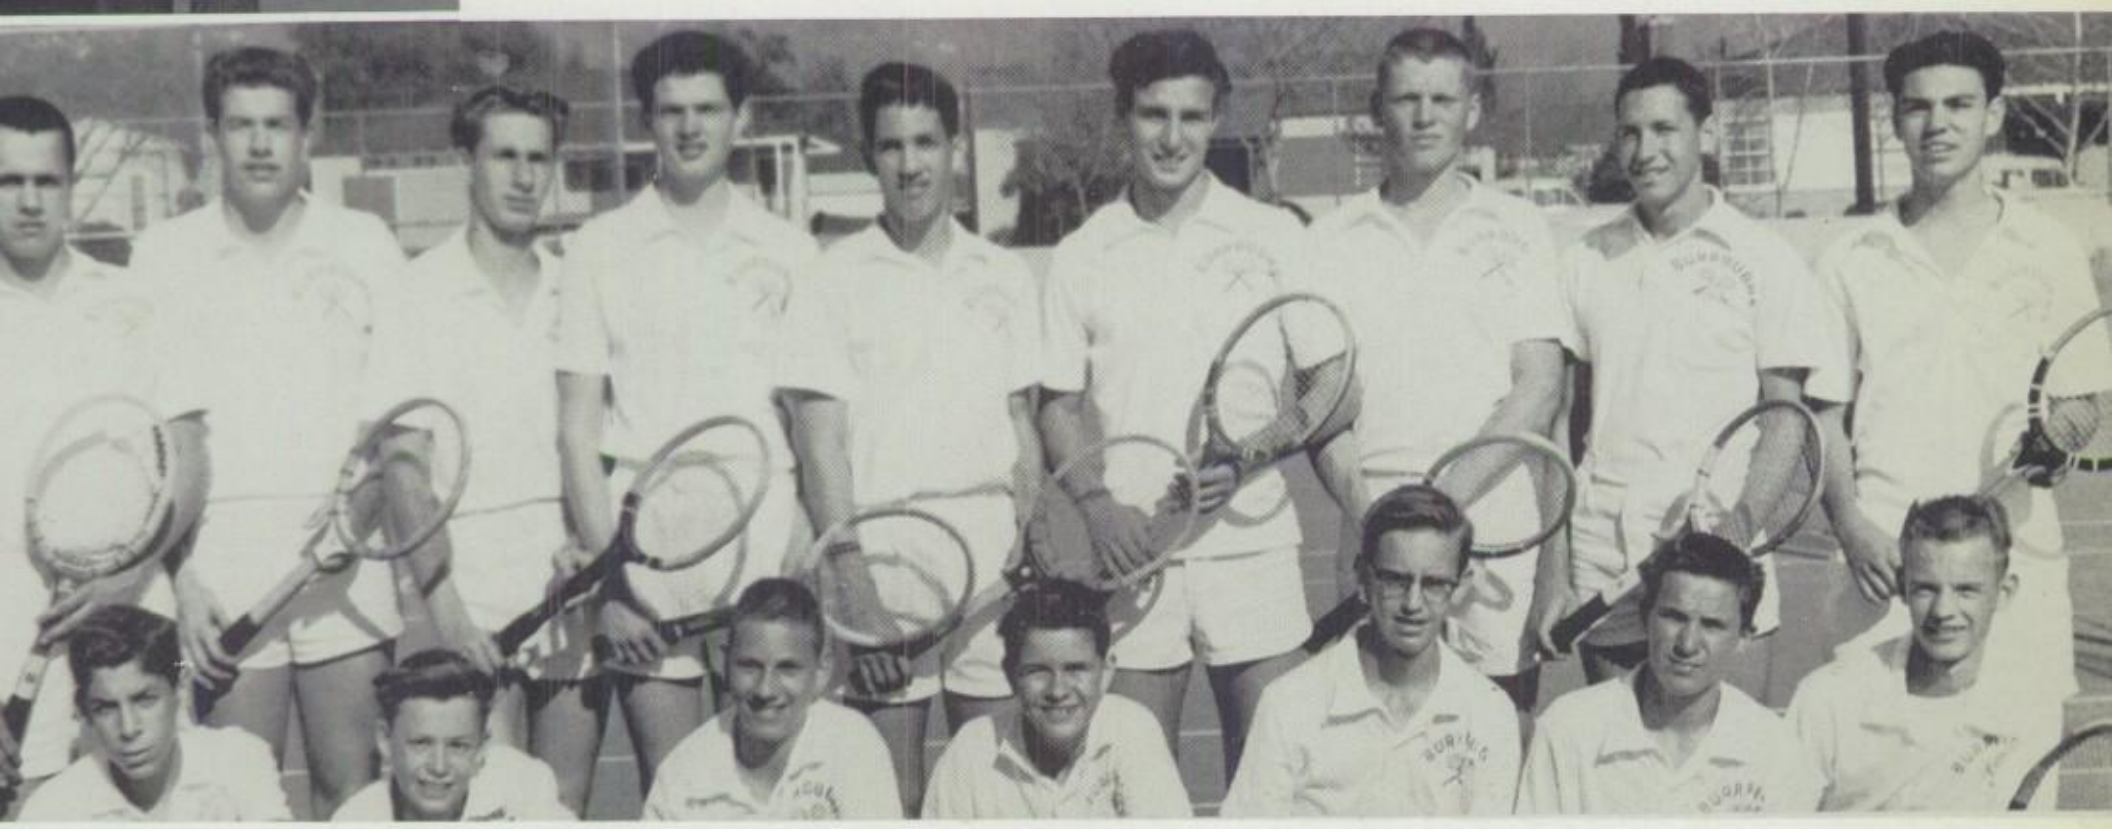
Dave Seldon pulls ahead in the first lap of the 100.

Ken Provasi was one of the team's work horses.

Brian Smith made many of the winning points this year. He is performing a cutaway.

Denny Keenan, JB's most outstanding diver, completes a back one and a half.

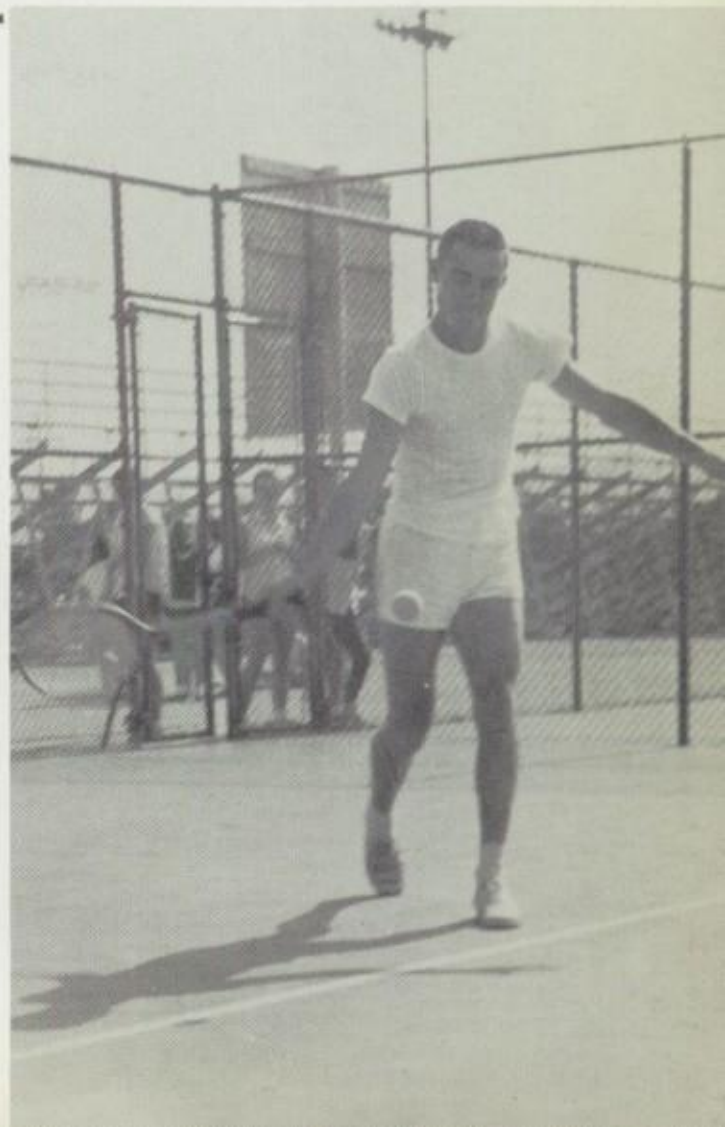
Mr. Witt was the team's inspiration this year. All of their success rests upon his shoulders.



TOP ROW, left to right: Tom Treloggen, Dwight Peters, Paul Levy, Earl Ellis, Franklin Marshall, Lee Dompe, Roger Snowbarger, Ken Brinkman, Don Seitz. BOTTOM ROW: Mike Gaynor, Dick Sunderland, Marc Goldenberg, Gary Borkman, Doug Mann, Rod McLachlan, Tom Allen.

TENNIS TEAM

With the addition of Lee Dompe from the squad at Burbank High, and the continued overall improvement of last year's players, our tennis team figures to go for high Foothill League standing this season.



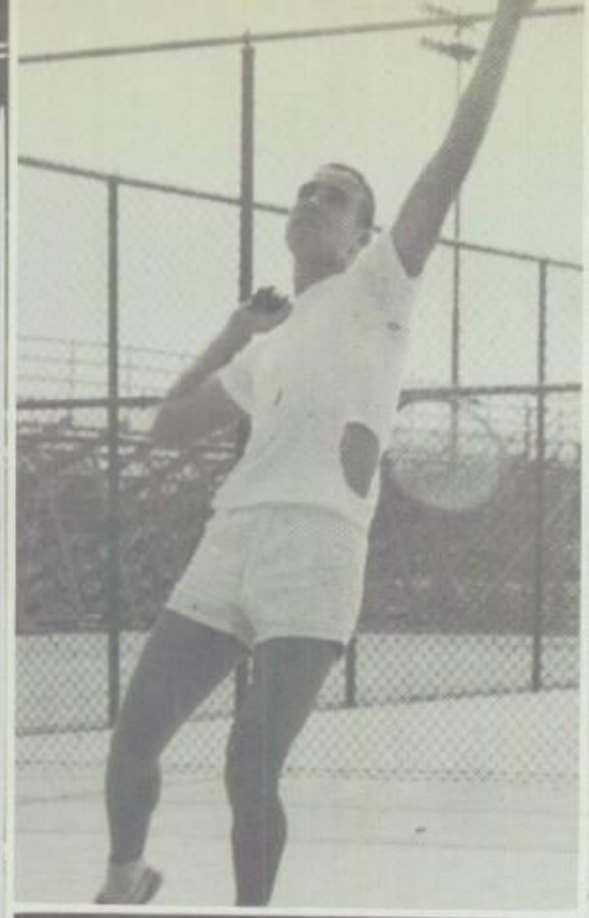
Lee Dompe was the outstanding member of the tennis team this year.

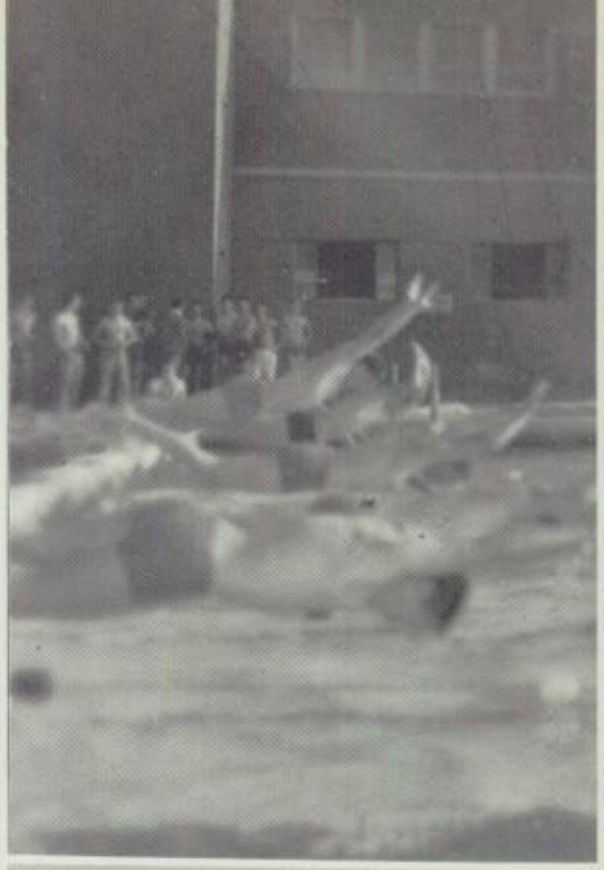
FIRST ROW, left to right: Jerry Patch, Bob Glover, Denny Duke, Ron Rogers, Len McGellivray, Ken Philips, John Majors. SECOND ROW: Spike Condit, Tom Condit, Rodger Oswald, Gary Stofer, Bob Reiter.

GOLF TEAM

Headed by seniors, Dave Woodruff, Rodger Oswald, and Spike Condit, our golf team steamed through a string of seven straight match victories to close the lid on the Foothill League Championship. This honor was bestowed upon the team only through long hours of practice and hard consistent play. Our hearty congratulations go to these great guys.

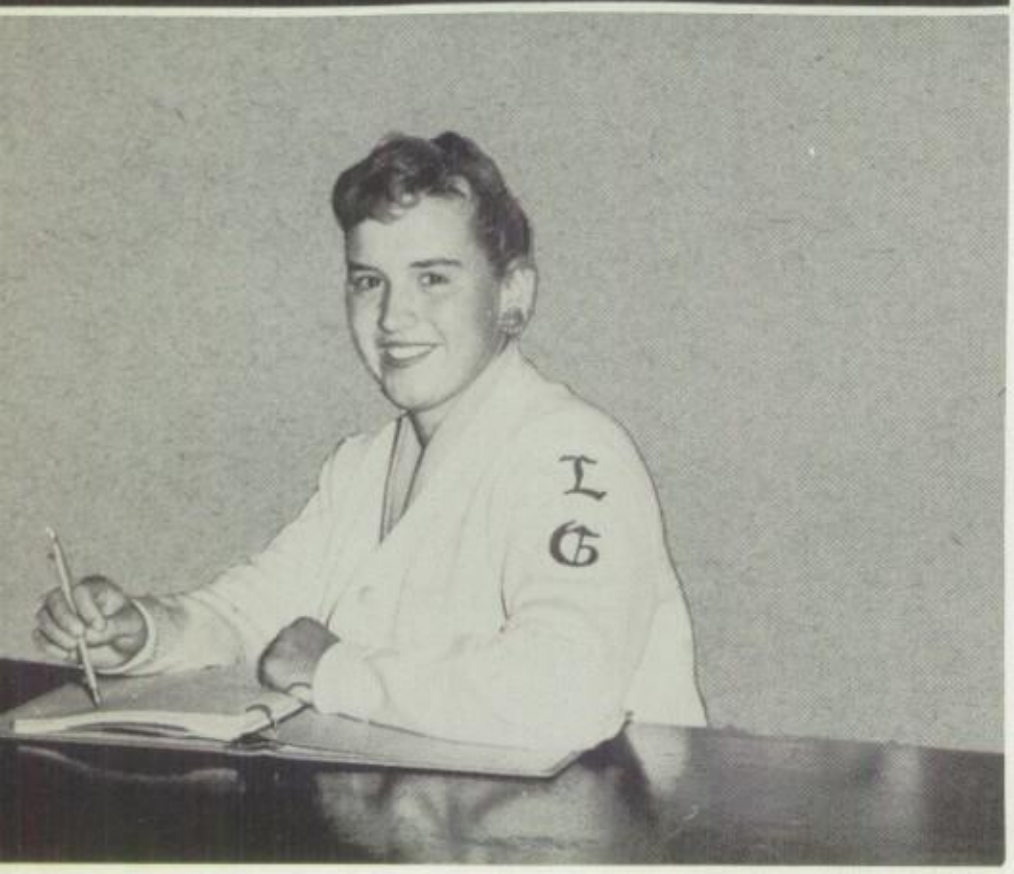
Rodger Oswald, one of this year's outstanding members of the golf team is showing off his fine follow through.





The Girls' Athletic Association of Burroughs High School upholds to the fullest extent, the ideals of good sportsmanship. GAA develops within its members a spirit of teamwork and cooperation, and, at the same time, promotes a high standard of physical efficiency. Each participating member can be truly proud of this organization.

The spirit of our GAA girls at playdays, banquets, and potlucks, is largely due to the efforts of these songleaders. They are, from left to right: Jonna Baker, Sally Irons, Sandi Simons, and Doreen Ryan.

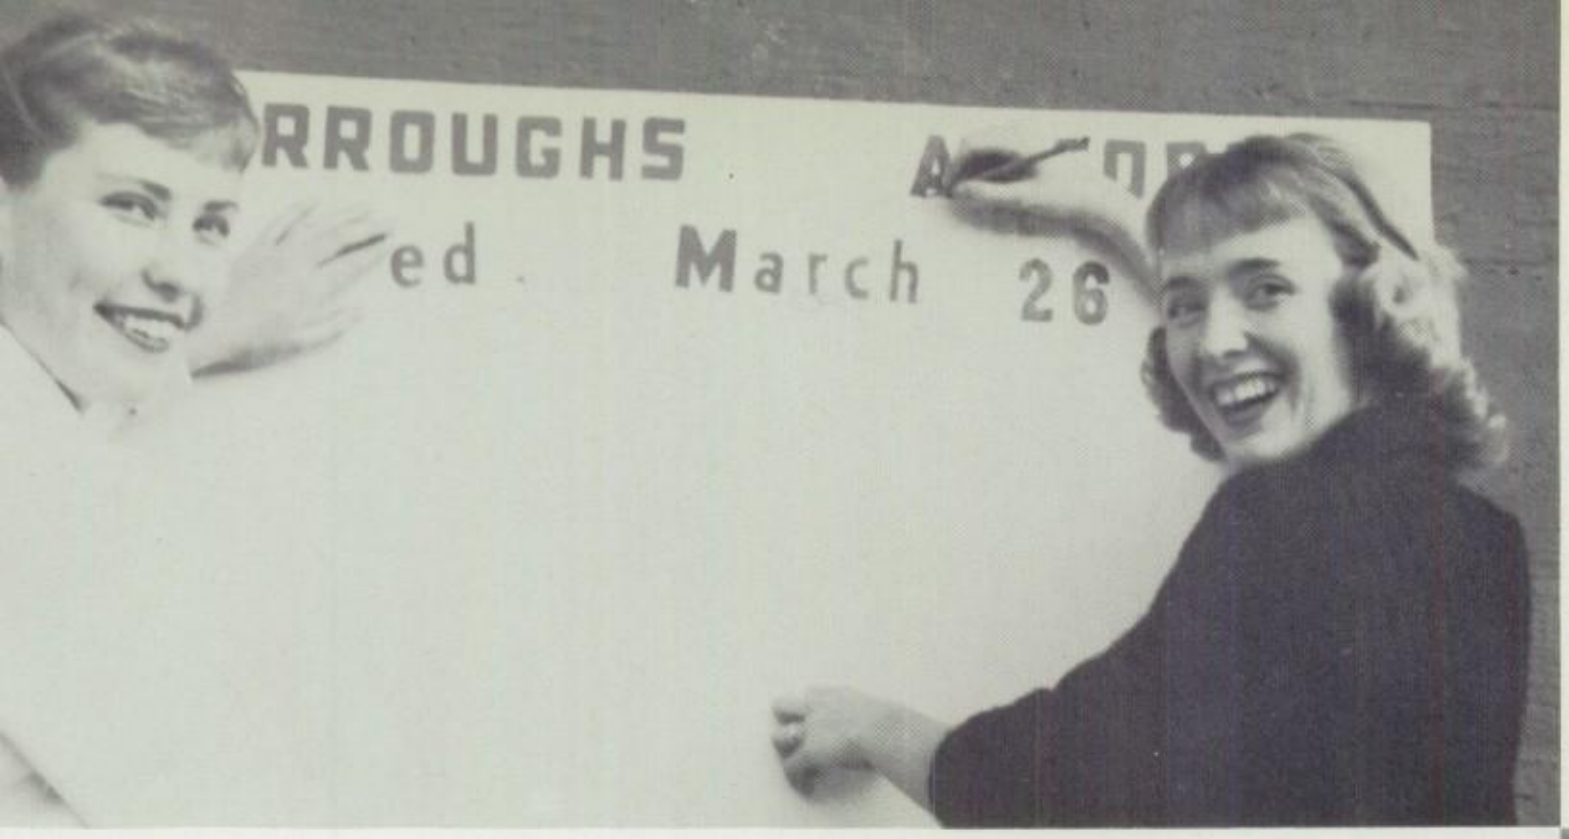


The winter officers of GAA are: Judi Eaton, Treasurer; Sue Selby, Secretary; Fru Elliott, President; and Joye Boebel, Vice-President. Their capable leadership proved a great asset to GAA as well as to the school.

OFFICERS

Fru Elliott, the ideal GAA gal, served as President the first semester. Fru proved herself to be a true leader, having been President of Lettergirls and moving on to Girls' League President. Her warm personality and ever abundance of friendliness made every girl in GAA respect and admire her as a wonderful girl, as well as a great athlete and good sport.

The GAA Board, headed by the President of GAA, is composed of the managers of various sports, representatives from all three grade levels, and the Executive Board. SEATED IN FRONT are: Miss Lee, Judi Eaton, Joyce Boebel, Fru Elliott, Sue Selby, and Deanna Roberts. SEATED from left to right are: Pat Barlow, Carmen Gomez, Audrey Mathews, Marily McPherson, Diana Barton, Melinda Puryear, Karen McKenzie, Judy Donney, Debbie Morris, Linda Brown, Pat Murman, Judy Keller, Marilyn Foster, Carolyn Martin, Janet Lamb. Standing: Doreen Ryan, Annette Lopez, Bonnie Beebe, Carol Pease, Brenda Mahakian, Sandi Simons, Ginny Bloom, Joy Ross, Jo Gore, Sally Irons, Sue Jones, and Jonna Baker.



Audrey Mathews, playday manager, and GAA president, Judi Eaton, are shown here putting final details on a playday sheet. Five schools attended the playday which was held in March here at Burroughs.

One of the most exciting of all GAA activities is the annual GAA Swim Meet. Shown here is the back stroke event at the firing of the gun.

This is one of the many phases of entertainment given at the GAA installation. The three gals here are doing a pantomime to "Sh-Boom."

Having some fun at the GAA potluck are these senior girls. Welcoming new girls into GAA is the purpose of the potluck supper and, because of its informality, an enjoyable as well as an exciting evening is presented to the GAA girls.

ACTIVITIES

OFFICERS

G.A.A.

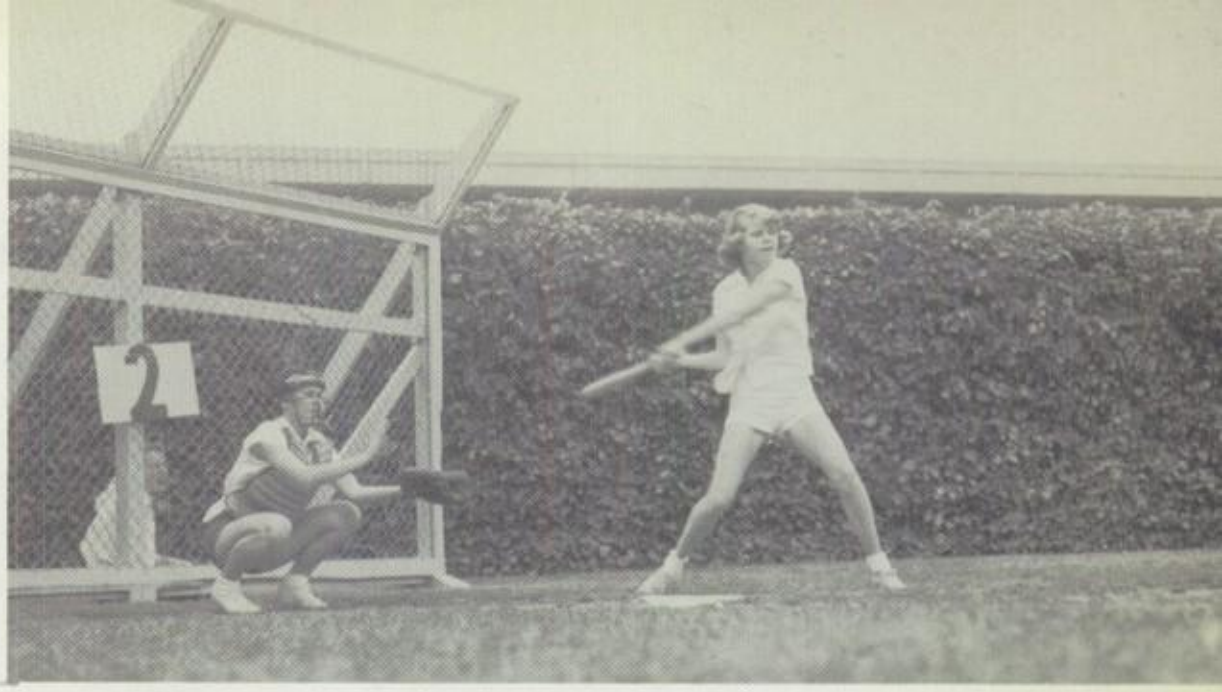
Judi Eaton, GAA president, is a superb example of the friendly spirit of GAA. Through her leadership, co-operation, and sportsmanship, Judi is one of the finest representatives GAA could hope to have.

These girls come to Board meetings held every Tuesday and discuss GAA activities. They are, from left to right, Carmen Gomez, Marty Lentz, Judi Eaton, Lonnie Elgart, Deanna Roberts. SECOND ROW: Annita Lippman, Janet Lamb, Judy Donney, Pat Stroble, Joyce Cerjak, Sandra Odor, Charlotte Sanger, Evelyn Fowler, Carol Dickason. THIRD ROW: Bonnie Beebe, Annette Lopez, Pat Fox, Sharon Sharpe, Melinda Puryear, Mary Beth Biewener, Linda Feldt, Audrey Mathews, Diana Barton.

Here are the girls who served as GAA's officers for the past semester. Their organization and plans of events were carried out neatly and efficiently. From left to right, they are: Marty Lentz, secretary; Carmen Gomez, vice president; Judi Eaton, president; Lonnie Elgart, treasurer; and Deanna Roberts, recording secretary.

The true inspiration behind GAA is the wonderful and personable Miss Lee. It is through her help and guidance that GAA has maintained its popularity.

Punky Boebel is about to catch a sizzling pitch, swung at, and missed by the batter.



Marsha Ogden executes her favorite dive, the swan, with the grace and elegance of the fine performer she is.

GAA SPORTS

The Faculty - Senior volleyball game was one of the highlights of GAA this year. The seniors emerged victorious, and a fine volleyball game was seen by all who attended it.

Volley ball was a very popular sport among the GAA gals. This is just one of the many exciting games that took place at the Play Day here.

Valuable experience as well as fine competition was enjoyed this year by the girls who turned out for tennis.

During the IGY, three regular world days are scheduled to take place at times to coincide with meteoric activity. Other world days can be scheduled in case of special unforseen phenomena occuring. These world days provide for a meeting of all the great scientists of the world to compare notes. The clubs and organizations at Burroughs this year are as varied as the number of nebulae in the universe.

HEADQUARTERS FOR CAMPUS ENJOYMENT

Burroughs has clubs for fun, clubs for work, clubs for spiritual training and for physical training. There are organizations for music, drama, and languages. The activities of these organizations include field trips, lectures, special dinners, banquets, as the Latin Banquet (left) and parties that provide just the right change of pace for the student who is worn out from a hard day at school.

CALIFORNIA SCHOLASTIC FEDERATION

The California Scholastic Federation was founded to recognize outstanding students of intellectual capacity. In order to become a member of CSF a student must have at least three A's and a B, plus good citizenship. Burroughs is proud of its membership.

YOUTH FELLOWSHIP

The Youth Fellowship Club is one of the largest and most popular clubs on campus. YFC brings the students in closer contact with the Gospel of Christ in everyday living. Semester presidents, Greg Foster and Jay Canning, with their able vice presidents, Terry Treemmel and Sharon Rehwald, have prepared the many interesting YFC programs. Secretaries, Nancy Schenk and Marilyn Foster, were busy because of the outstanding turnouts each week. YFC had Doug Friedlander, Mike Elliot, and Diane Williams to cleverly publicize the club.

NURSES

The Future Nurses Miss Frantz, advisor, Joyce Nelson, Donna Zeelow, Margo Reynolds, Verdean Glazier, Patricia Cordon, Barbara Berndt, Sandra Shirley, Bobby Natalino, Betta Tacchini, Joan Griffith, Brenda Oberstein, Carol Pease have had their interest in nursing and related fields greatly stimulated through the help of Burroughs' nurse, Miss Frantz. Projects and guest speakers add to the varied activities of the Future Nurses Club.

ENGINEERING

Top physics students who have taken special interest in the field of atomic power and nucleonics join the Engineering Club. There they further their understanding of these increasingly important facets of today's scientific world. FIRST ROW, left to right: Myron Lieberman, Greg Bachelis, Dave Skillman, Dave Grimes, Franklin Marshall. SECOND ROW: Darcy Staggs, Ken Riepe, Alan Calhoun, Glen Craig, Victor Staggs, Robert Coxe.

ASSEMBLIES

Jim McNichol, Gurdon Wickman, Loren Stirling, and Melinda Beebe

Assembly programs furnish us with needed variety in our high school days and increase our enjoyment of different kinds of entertainment.

No one will soon forget the inspirational talk of the famous athlete, Rev. Bob Richards, and his comparison of life and the Olympic Games. Our Christmas Assembly this year was truly outstanding. The clever use of the art classes' giant Christmas cards that came to life through music and dance gave us a beautiful Christmas memory. The talent show proved to be one of the favorite assemblies, as it presented the best of Burroughs' talent. Still another favorite program proved to be the presentation by the American Field Service Committee. This year we enjoyed Georgann Zahn's interesting slides of her trip to Europe, brief talks from Burbank High's exchange students, and an appreciation from Hannes Frederich, our own popular exchange student. One of our more interesting spring assemblies was the special program presented by the modern dance classes taking us around the world in dance.

Burbank High students

David Bell and Sharron Swetnam

Mr. Carpenter has been an important personality back stage. Most of our interesting assemblies have been chosen and directed by him. Mr. Carpenter also spent many hours directing the members of "Annie Get Your Gun," this year's operetta.

PLAYS

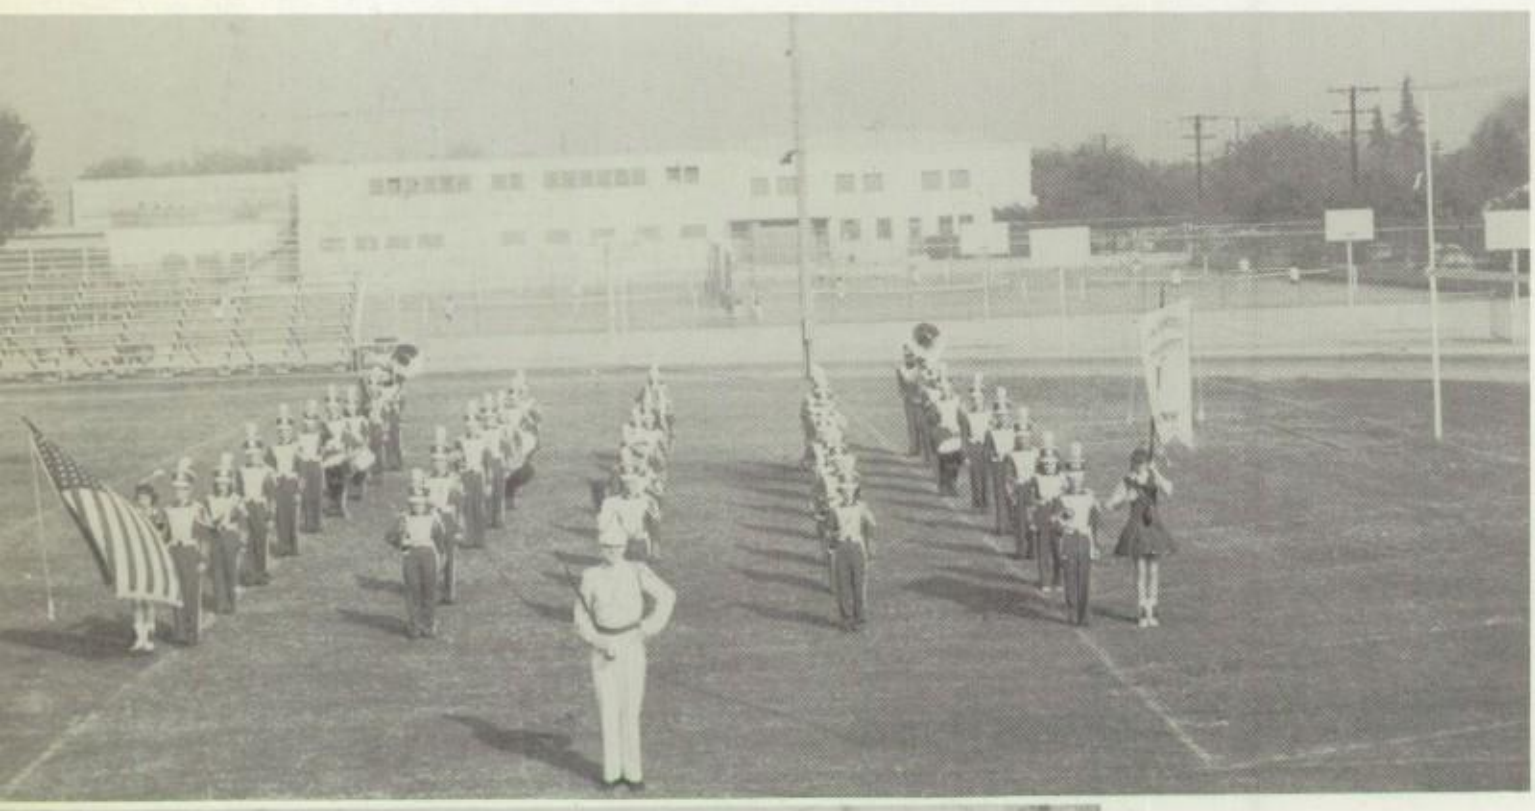
"The Curious Savage" (below) told of gentle and abstract people in a mental institution.

"Blithe Spirit" (bottom right) was the last play of the year and dealt with the spirits of two departed wives.

KITTY ROSE played the lead in "Blithe Spirit."

RALLIES

Bev Wagner, Bill Wallace, and Virginia Rossow look on as Brenda Bryant is crowned Football Queen by Gary Troyer.



The band played for all the rallies. Here they are in formation led by Andy Gordon the Drum Major.

Judy Keller, Audrey Mathews, Janine Dunn, and Pat Murman carry the casket of the Burbank bulldog. This proved to be rather a profound prophecy.

This year's operetta, the Broadway hit, "Annie Get Your Gun," was the most lavish and ambitious operetta ever produced by JB students. Mr. Martin, general director, and Mr. Carpenter, stage director, put dozens of colorful and exciting scenes on stage, including one that featured JoAnne Quackenbush (Annie) high-flying on a real trapeze.

JoAnn Quackenbush as Annie Oakley, famous sharpshooter of the old west, falls in love with handsome star of the wild show, Frank Butler, played by Ron Cobb.

Joan Freeman and Ron Andruizzo play Tommy and Winnie the young singing and dancing couple and sweethearts of the west.

OPERETTA

Paulette Gibson as Dolly Tate focuses an eagle eye on Jerry Perkins, who plays Chief Sitting Bull. Looking on are Hal Daugherty as Buffalo Bill, and Ray Brown as Charley the promoter.

ACKNOWLEDGMENTS

As the scientists of the world have been struggling to further man's knowledge of the universe, during the International Geophysical Year, we of the Akela Staff have recorded the activities of our fine school and its students.

These wonderful people have worked faithfully and untiringly to produce this book of memories for the year 1958: To Mrs. Manezon, our advisor, we owe a great debt of gratitude for her wonderful help in planning the book and for her untiring prodding to meet deadlines.

The new looking layouts are the work of Loren Stirling who designed the book and did the spot drawings. He was our contact with the Mirro-Graphic Yearbook Company who printed the 1958 Akela.

Gurdon Wickham designed the cover, reproduced by the Universal Book Binding Company. Gurdon, along with Myron Lieberman, is also responsible for a great deal of the fine writing. Without Myron's vast knowledge our book might not have emerged scientific.

In an emergency Dennis Kuhr was always willing to flash a big smile and fix problem pictures or re-arrange figures in them to fit layouts.

Mr. Carpenter perked up our literary form by proofreading our copy.

On numerous occasions, busy, brainy Mr. Dowd gave us scientific information.

Bob Nostri and the Smoke Signal Staff helped us so much by publicizing our sale. Clever advertisements were seen in many issues of the paper.

We are fortunate to be able to thank a cooperative and patient Student Body and Faculty. We sincerely appreciate all the cheerfully accepted inconveniences.

We also wish to thank the Typing Department for helping us type long projects, many times.

For Photography, a big "Thanks" goes to Mr. Reed Packard of Packard Photographic Studio, to Mr. Bolinger and our Photography Department, and to the Burbank Review for Burroughs-Burbank football game pictures, for capturing JB life on film and making it possible for us to record it here.

party!
Well here's the end of school again and we're signing Akelas instead of Jaguar Cougars; but I like high school much better. Today Karen and I were laughing about old times for quite awhile. Time sure goes by fast & I've enjoyed every moment of it even after our quarrels and I'm sure we've been close because of our age. I hope you get all the good luck in the world. I hope you'll be very happy everything you want. I will be sure to write to you. Good luck again and I'll write to me when you get married & this summer & I'm sure I'll write to you for the rest of the days of your life and a wonderful future ahead of you and God bless you.

Your friend always.

Marty,

When we were in Junior High I thought you would change when you got to High School. But I was wrong. You're still the nice, sweet, girl I knew last year.

Always
Nora Privitera

Marty,

To a real sweet little girl that she had a lot of fun with laughing with and talking jokes with. Have a lot of fun with school and be real good.

Your friend always!
Brian Smith

Marty - I think your real sweet and a lot of fun. I probably won't see you this summer so have fun. I hope we have classes together next year, but not study, I'll have all solids.

Good Luck,
Sharon Benson
